FEEDBACK 5/15

Issues with Onboarding and Accounts

1. Admin Panel - Cannot delete account get a Server Error (500)
2. Join Waitlist Mobile + Desktop - Cannot get past enter phone number
3. Sign up Mobile - Cannot get past enter phone number

TYPO

"Confirm your phone number."

should be on one line on desktop
and add period.

MAMA

Confirm your phone
## number

Resend Code

Confirm phone

TYPO

Replace comma with period.

"Choose your friends wisely."

Invite Friend
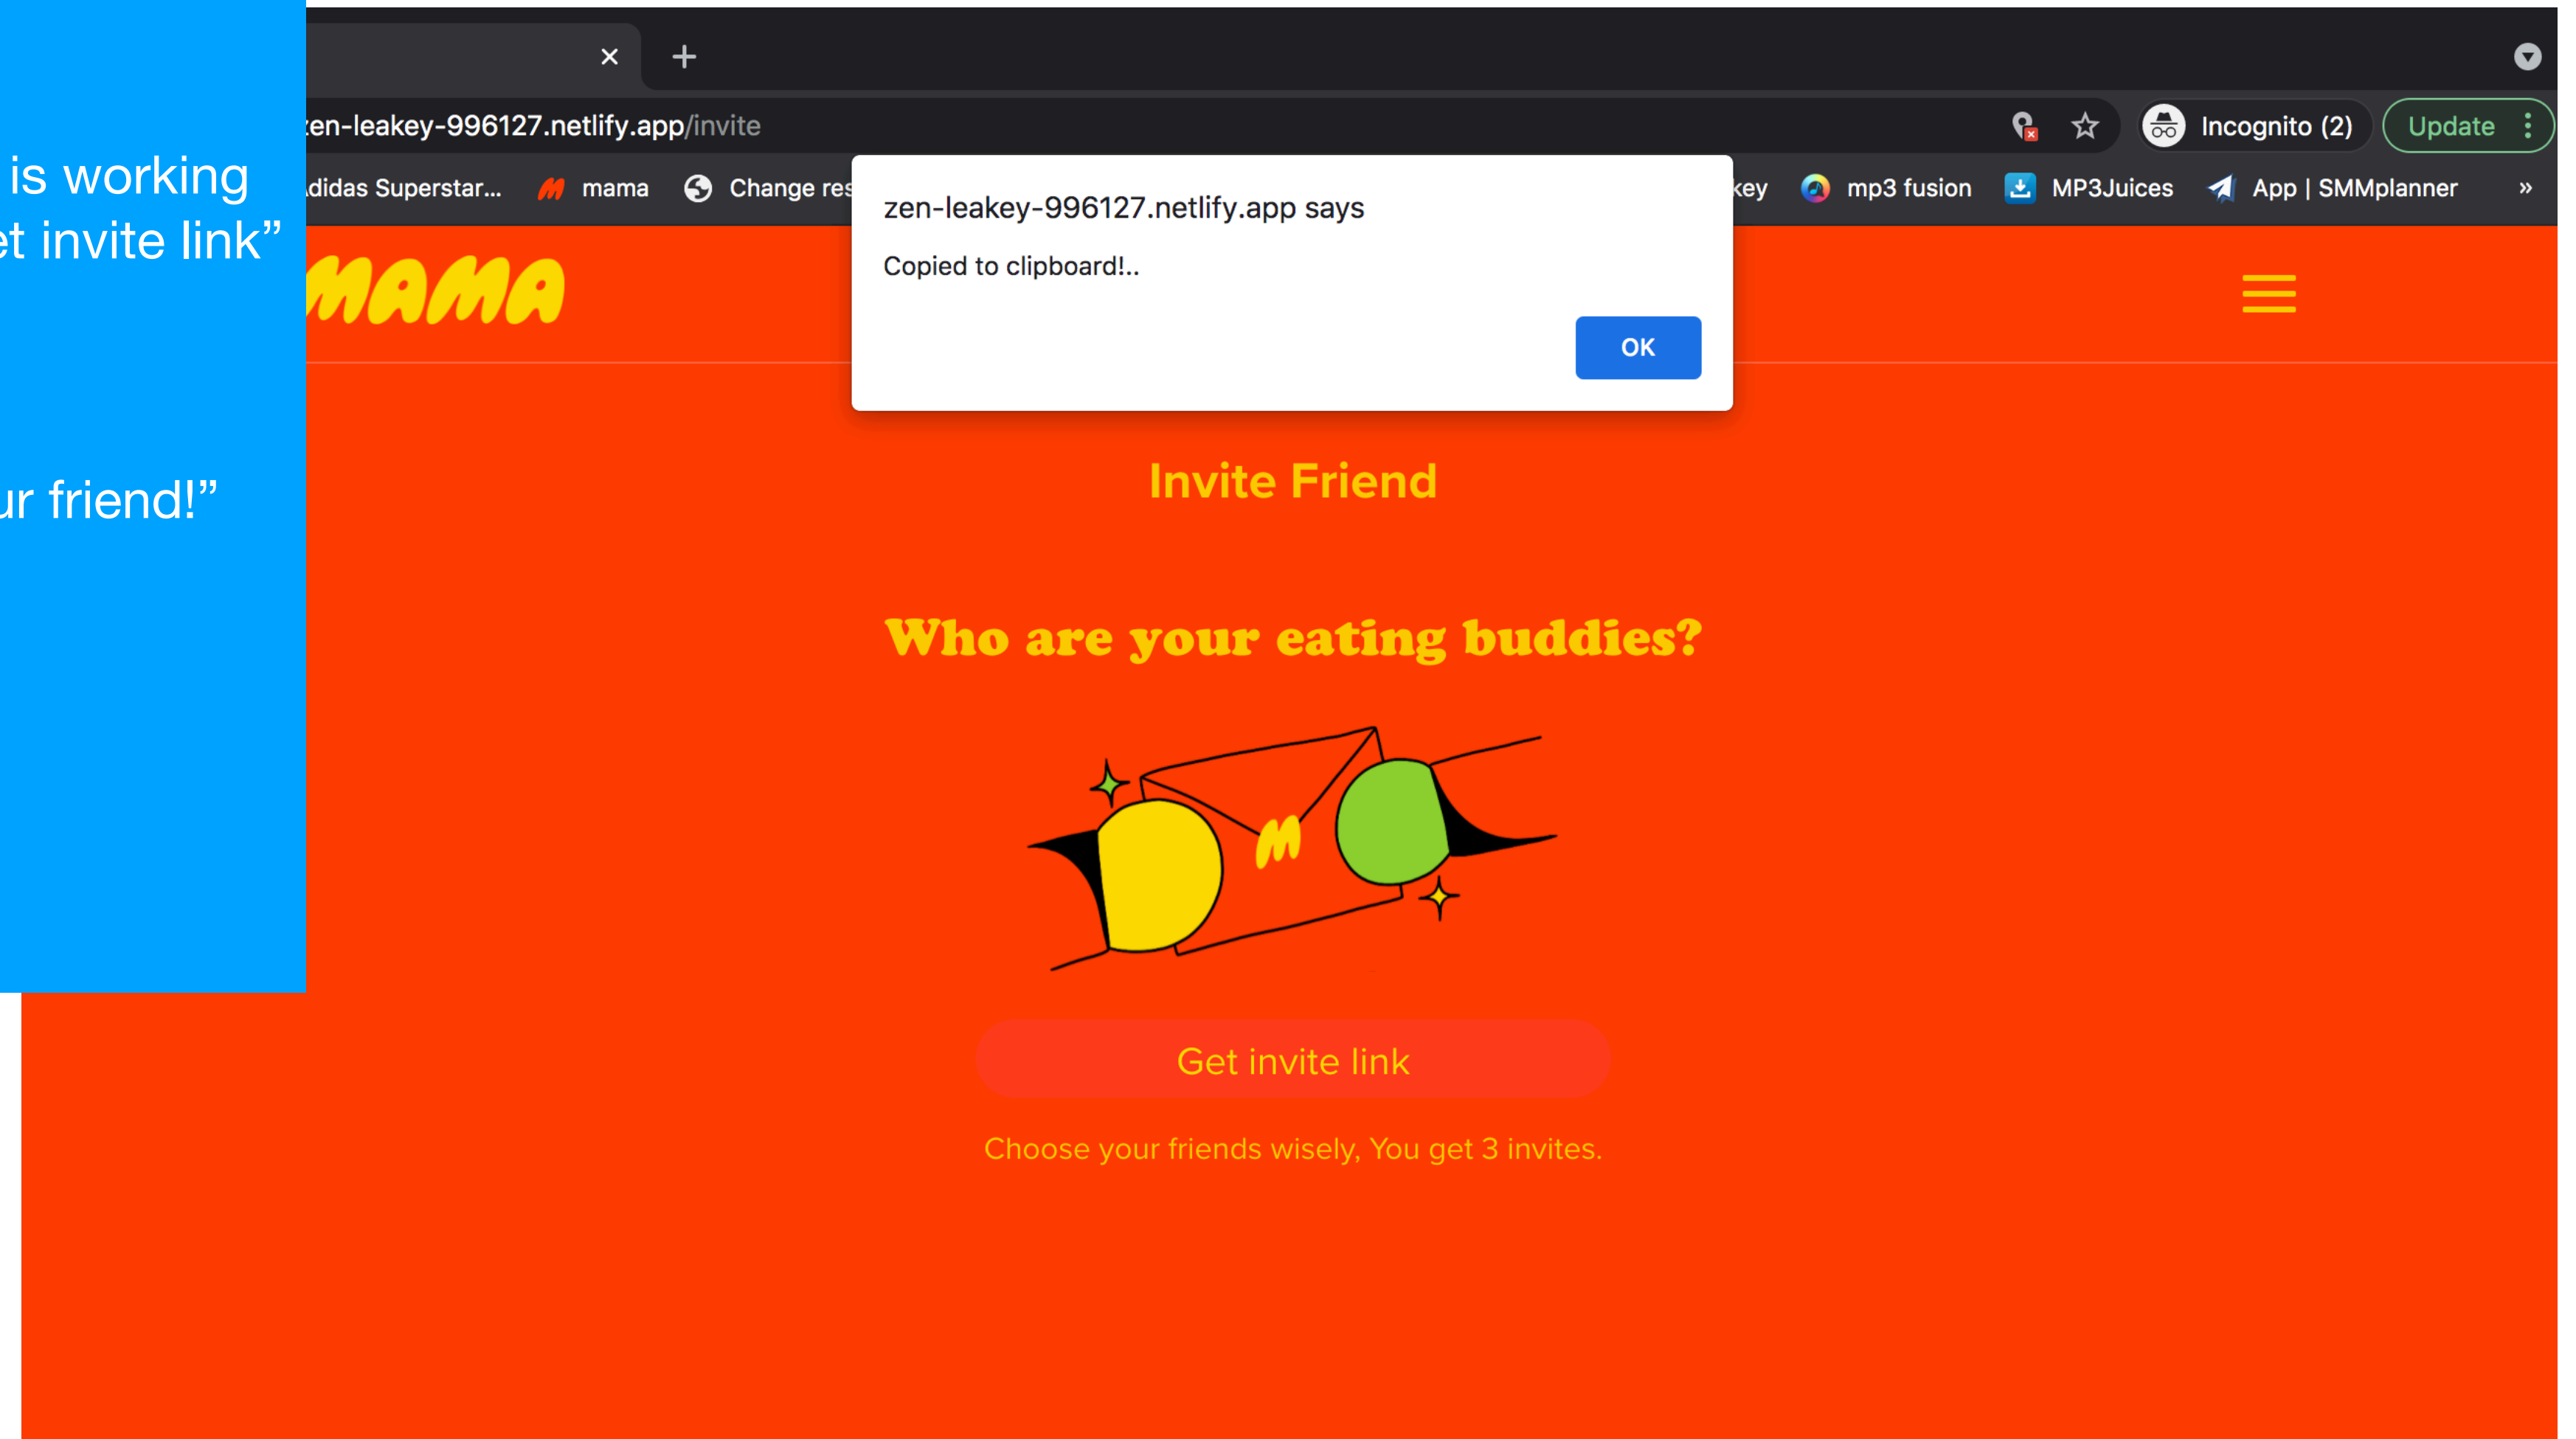

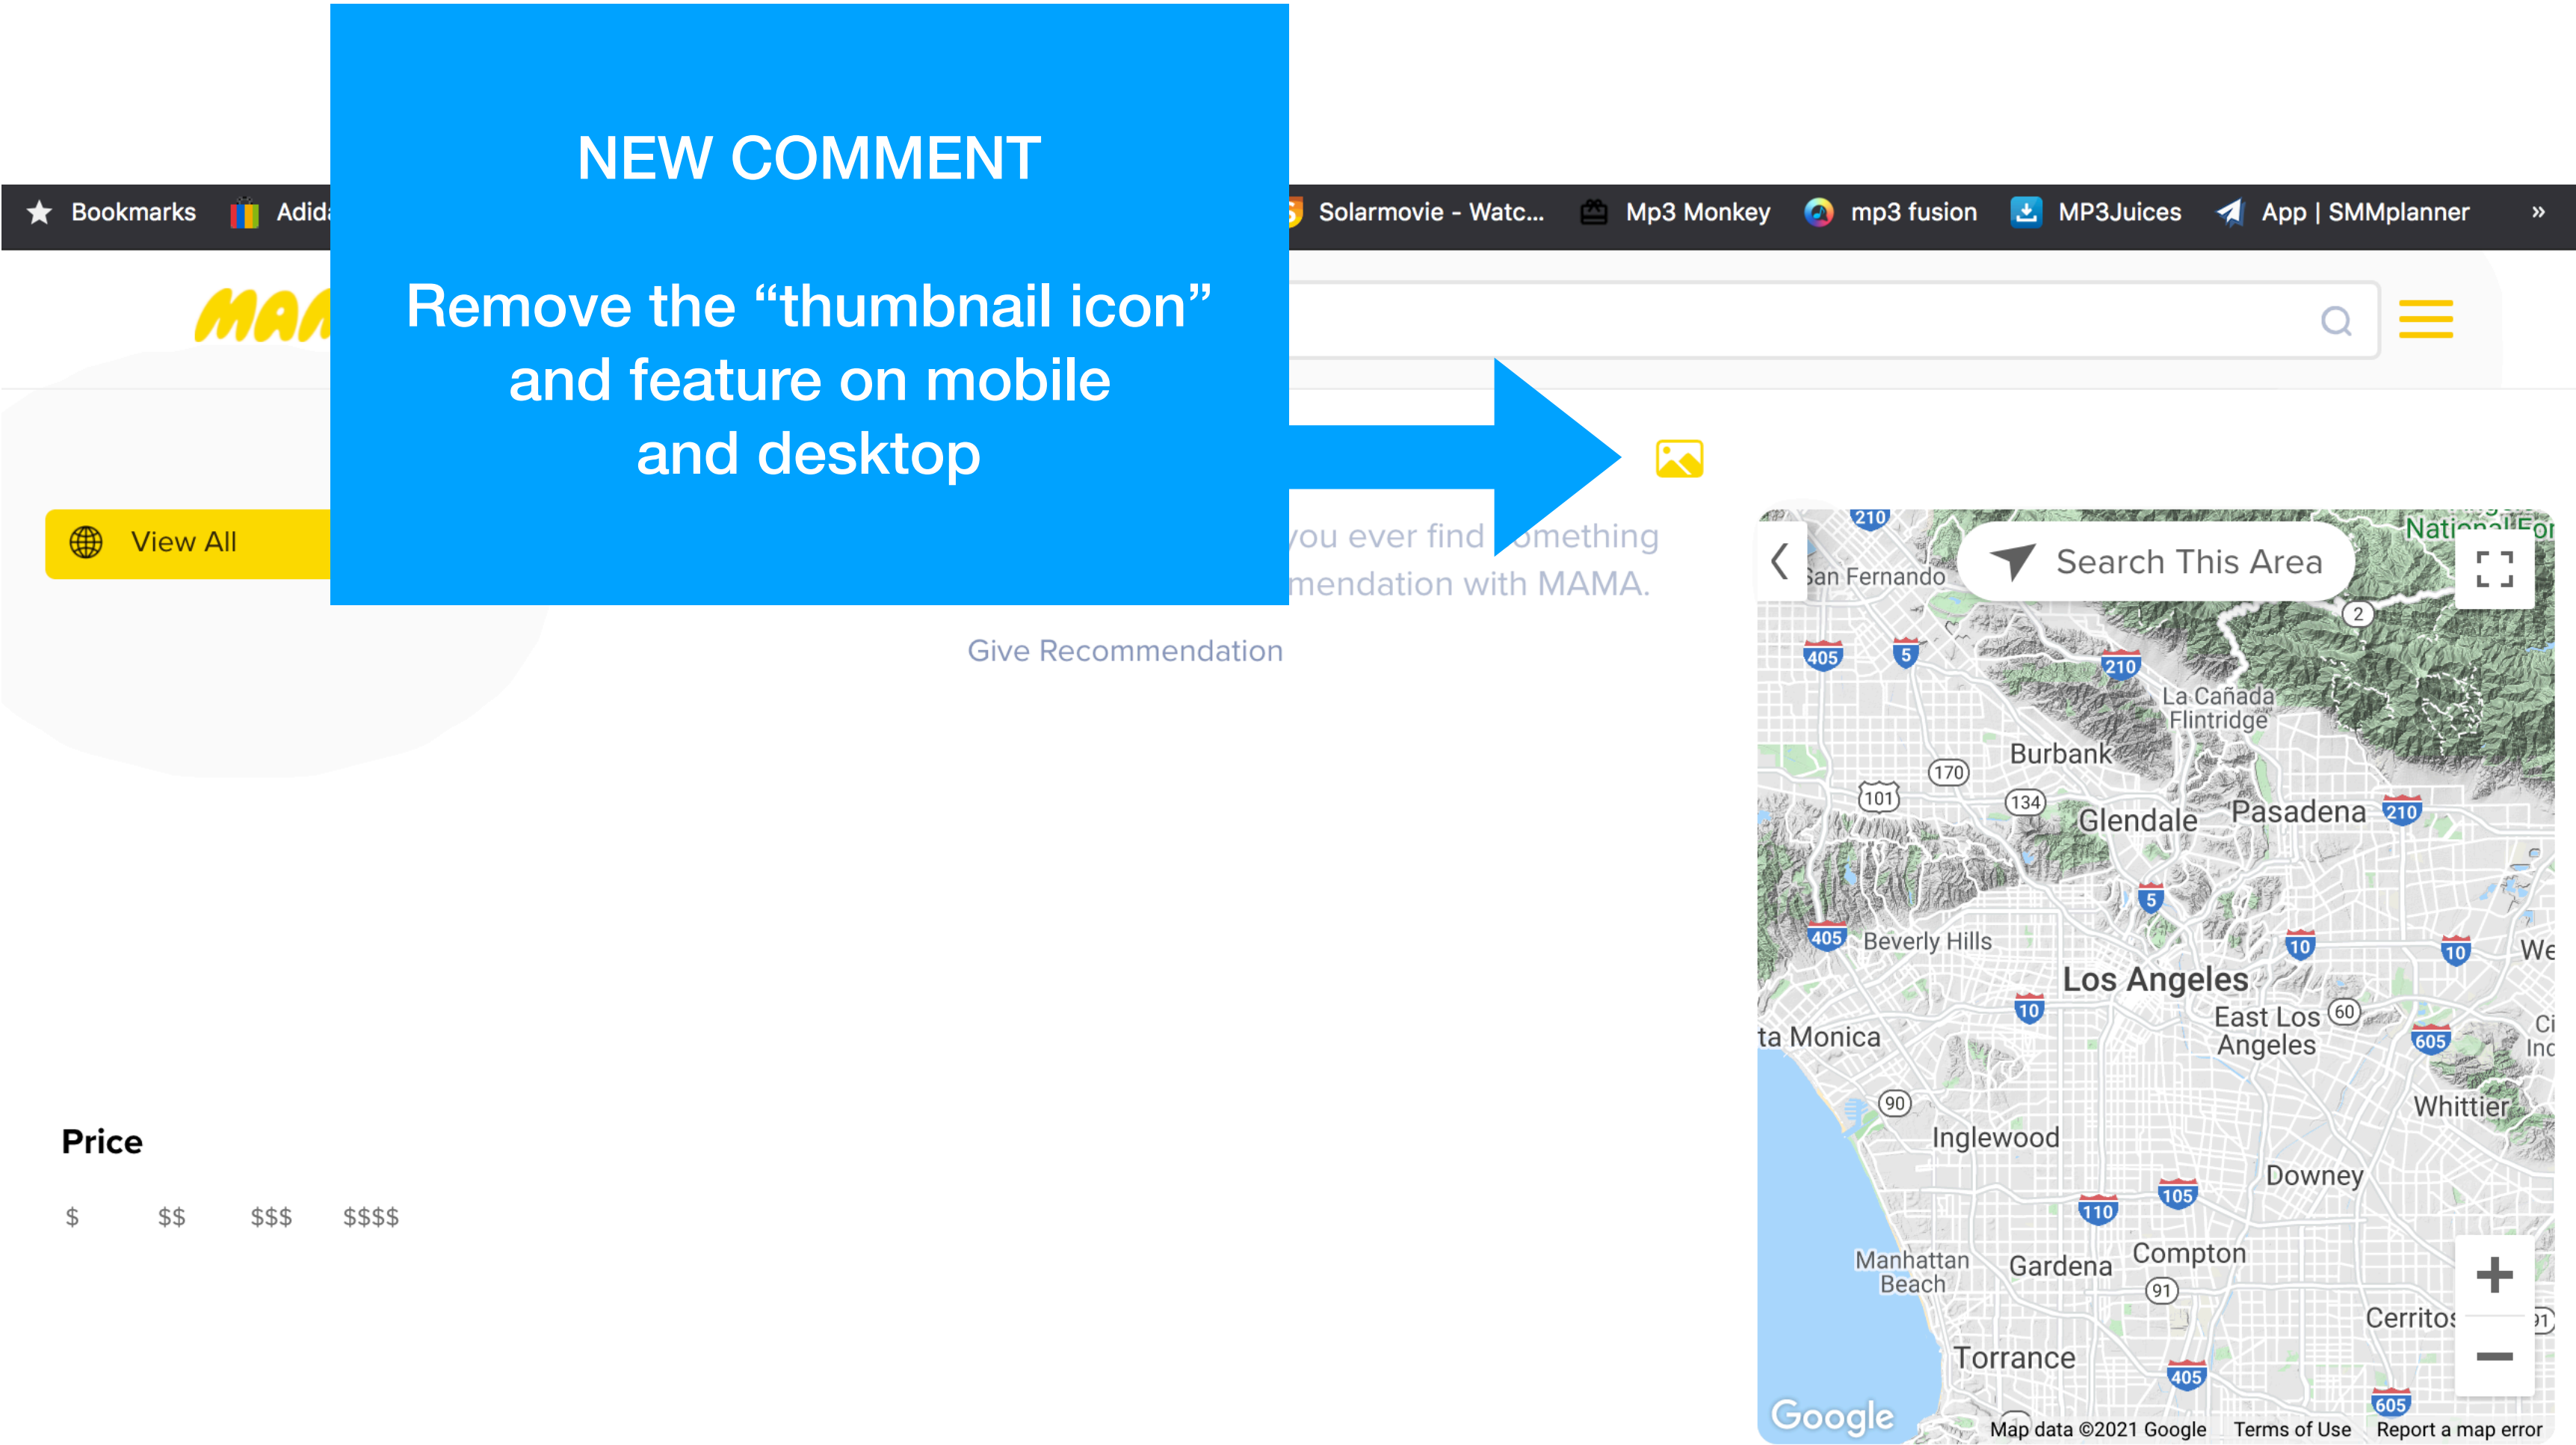

Who are your eating buddies?

Get invite link

Choose your friends wisely, You get 3 invites.

1. Make sure the "Copy to clipboard" is working when you hover over the entire "Get invite link" button (Currently not working)

2. Update pop up copy:
"Copied to clipboard. Now send to your friend!"

3. I still need to test the 3 signup limit

NEW COMMENT

Remove Location pop-up on landing page (mobile + desktop)
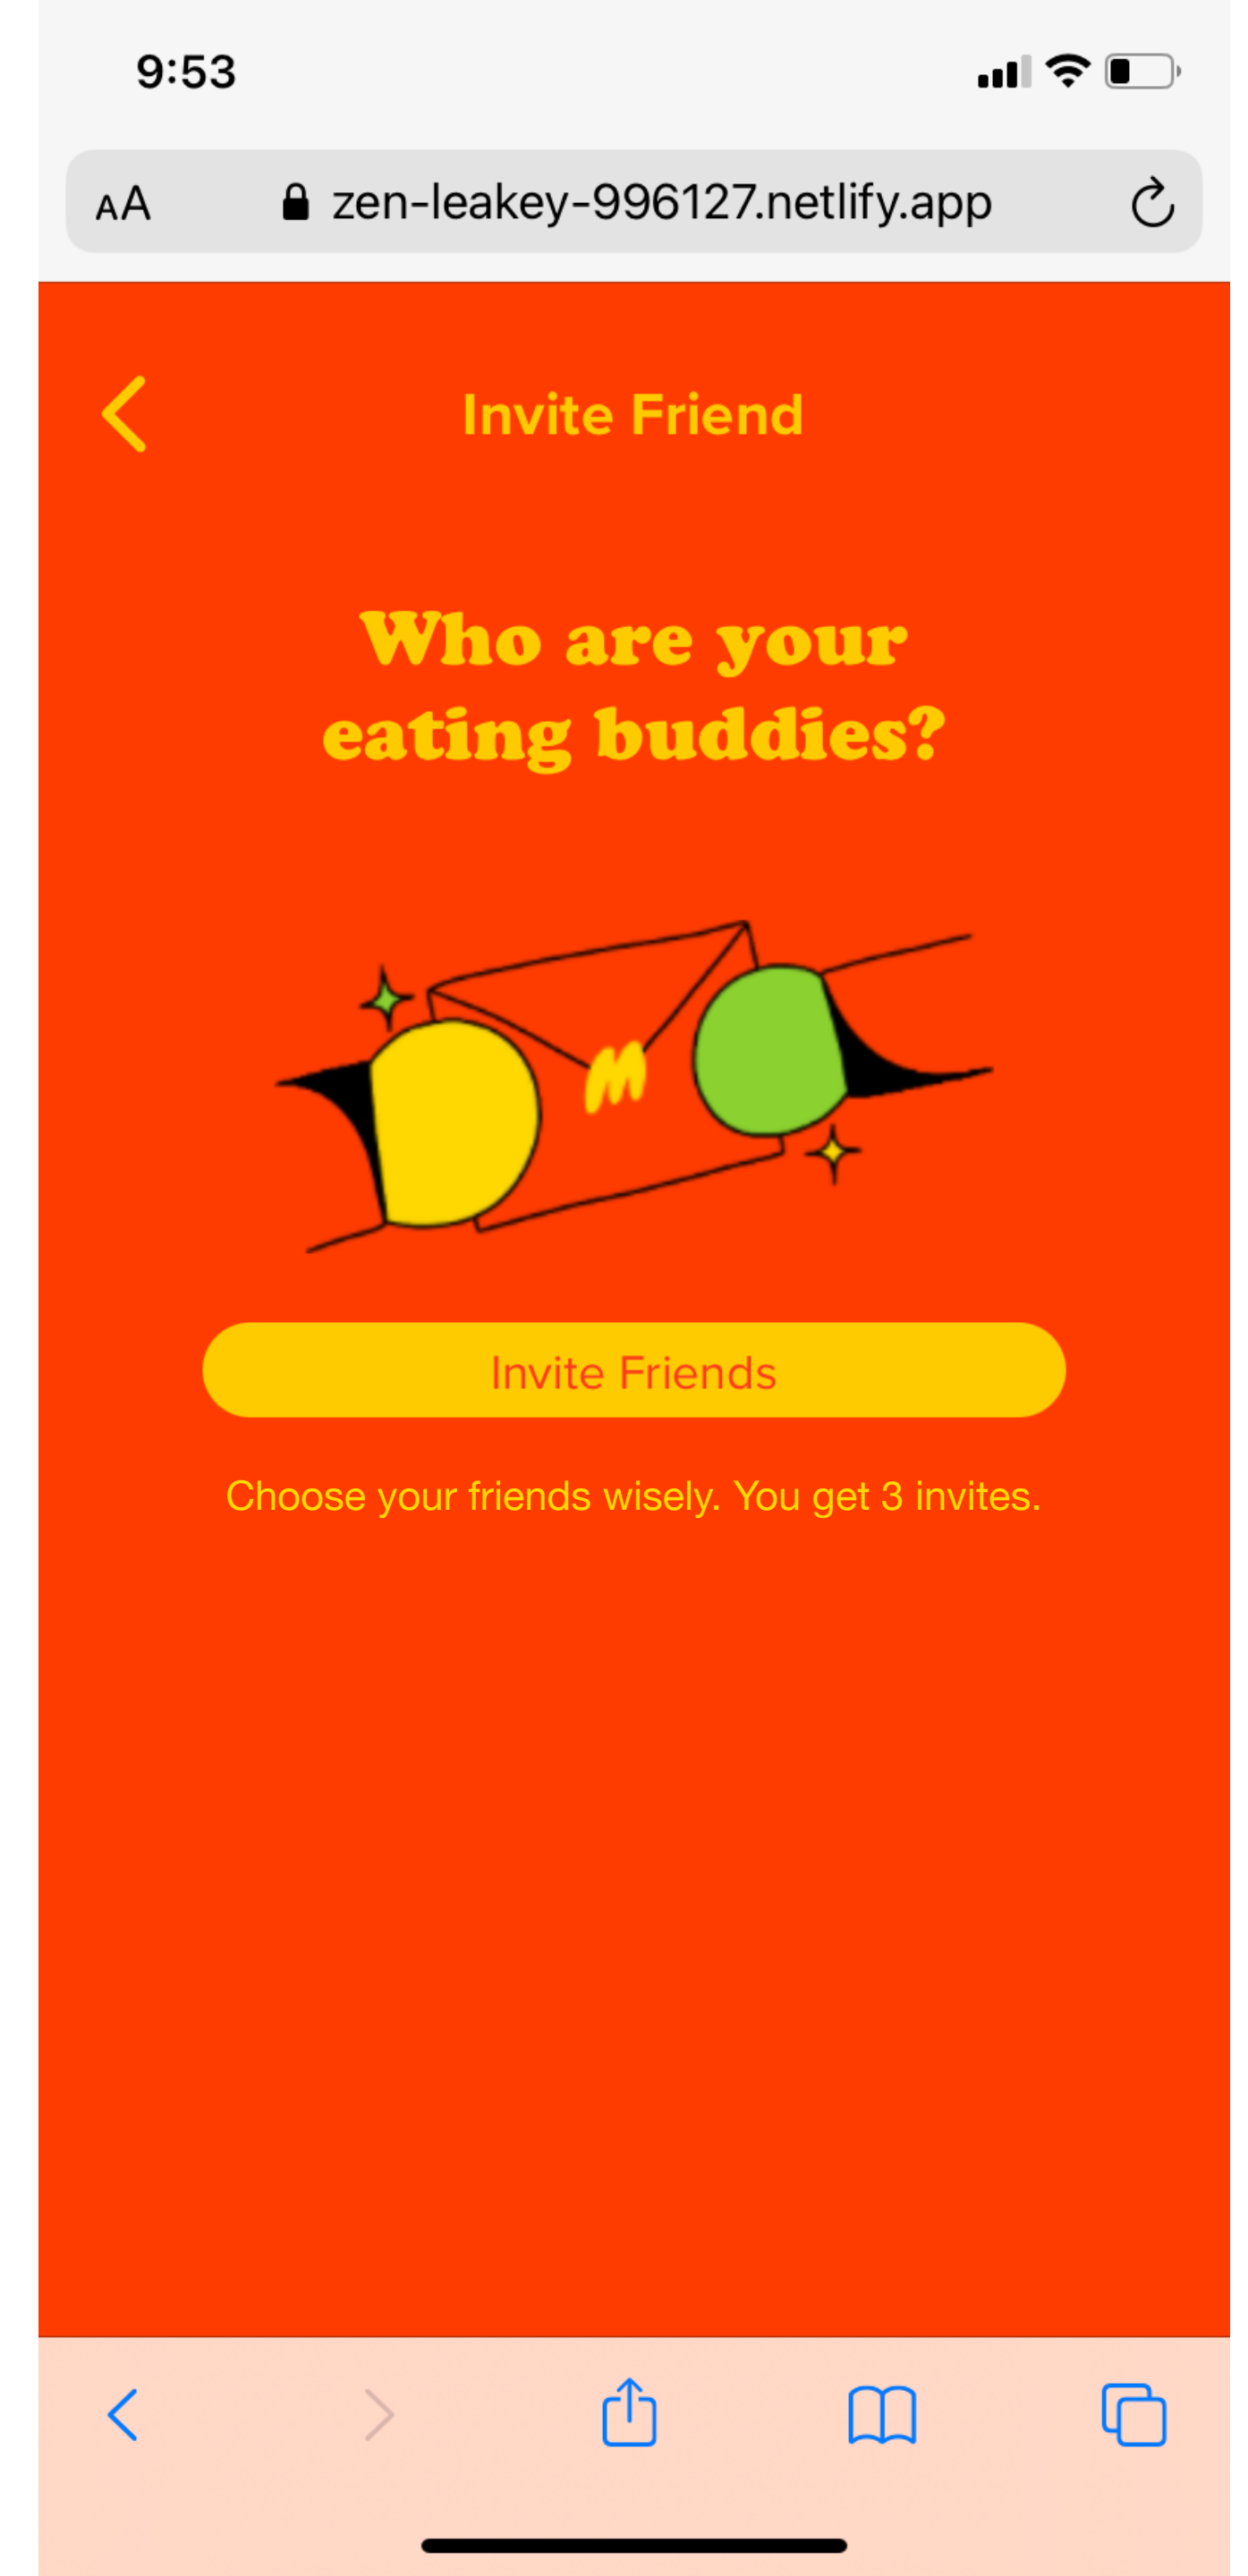

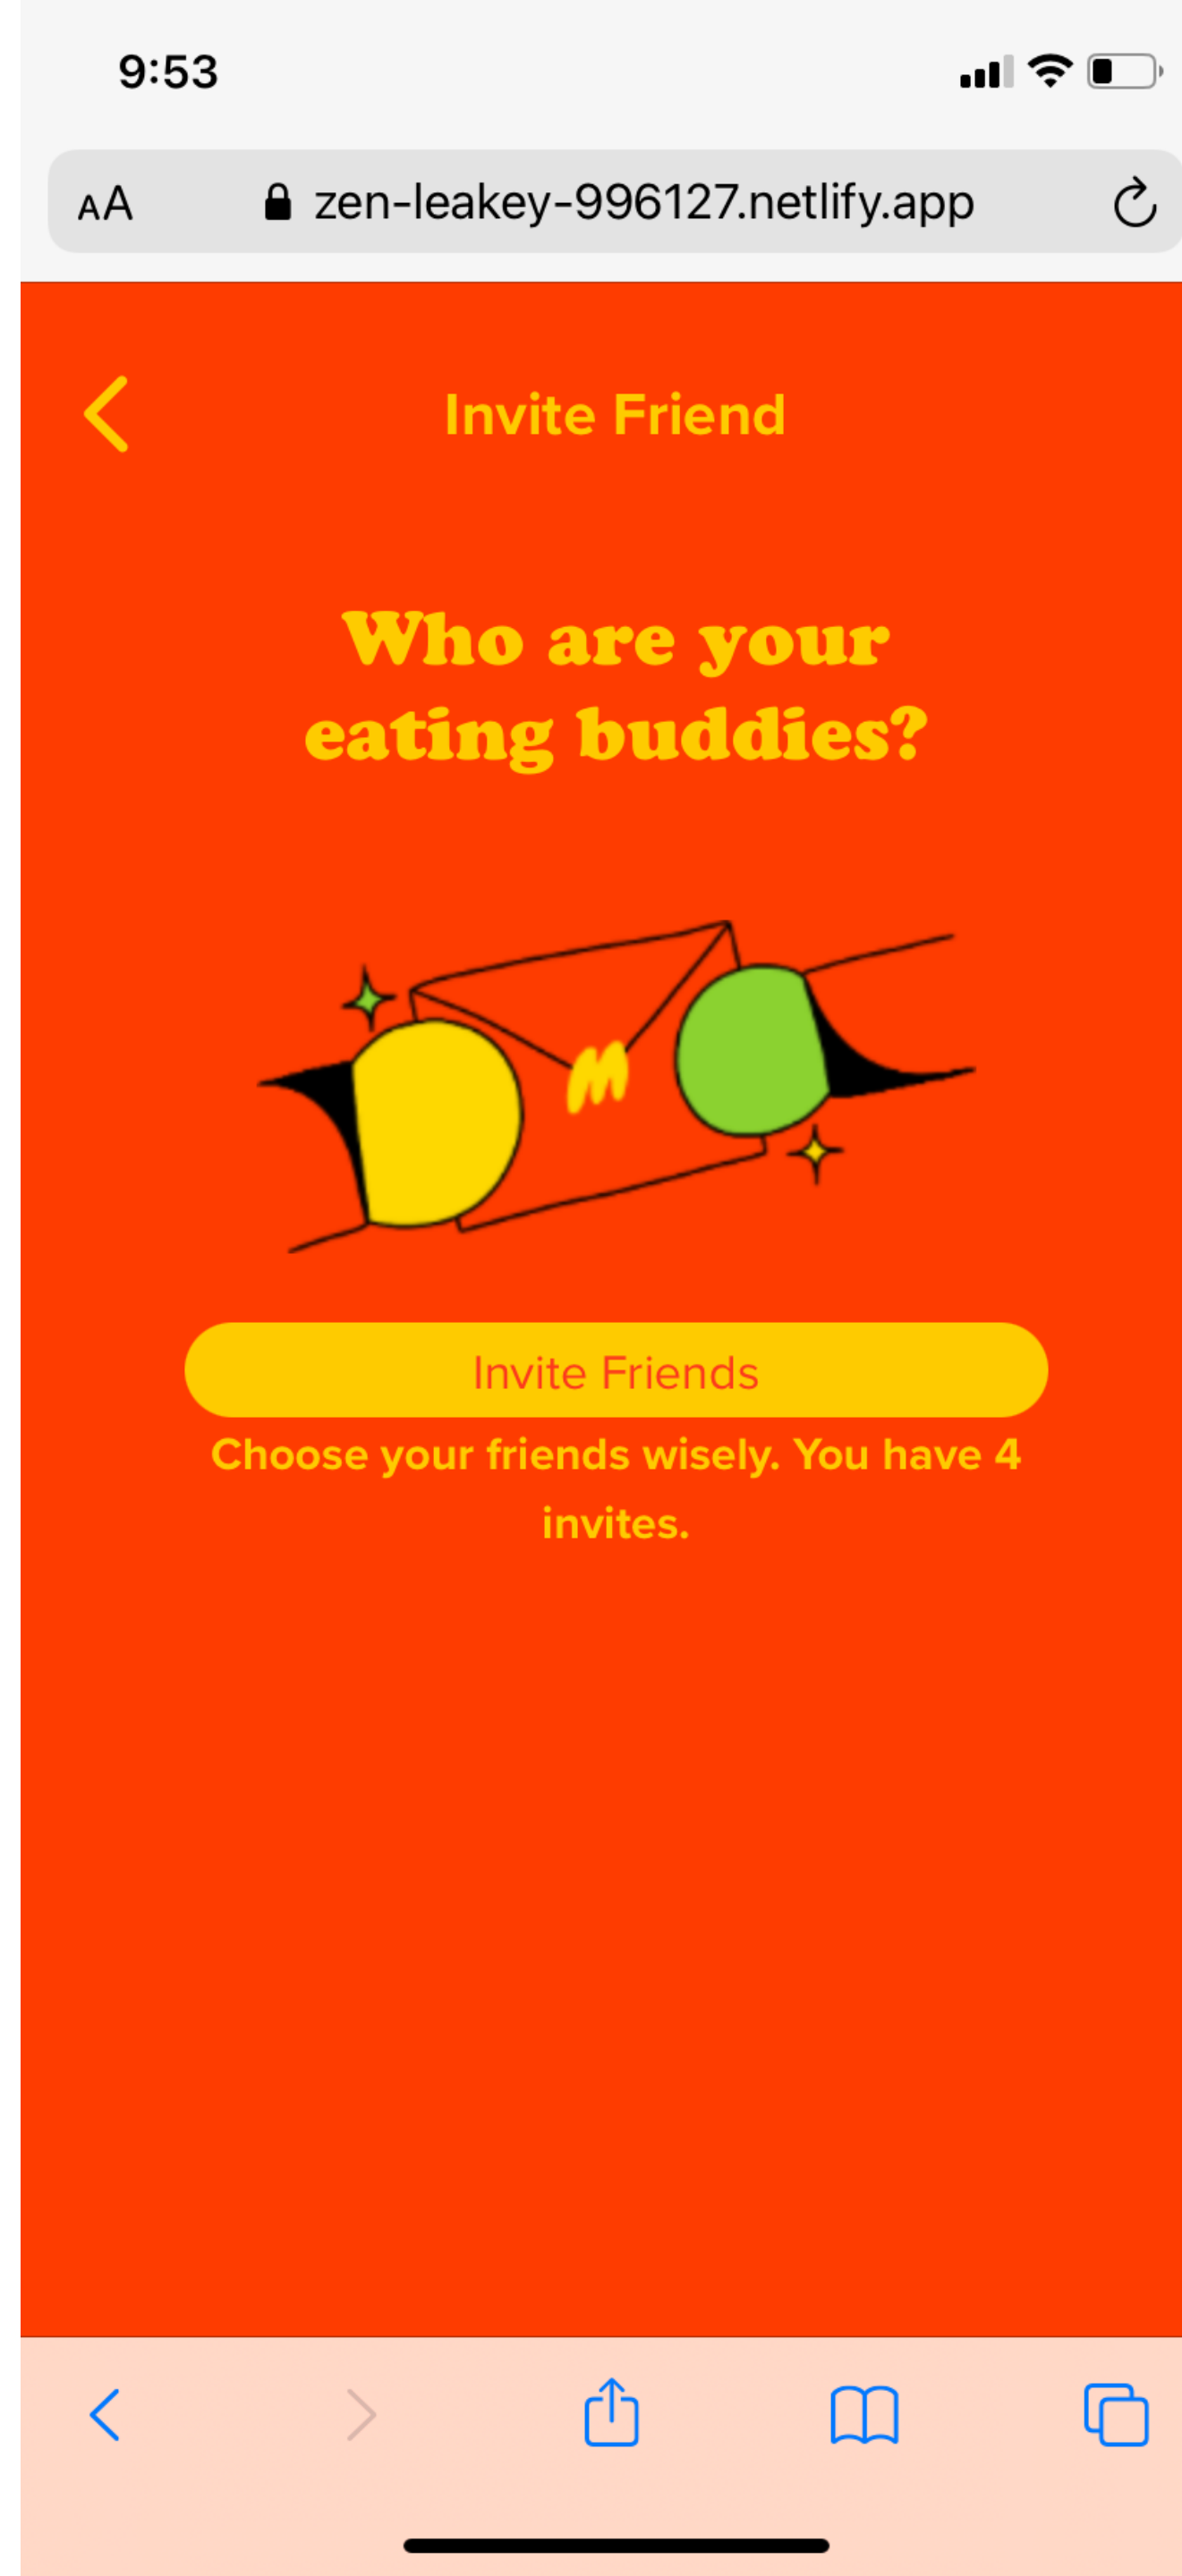

Should pop-up once you login to list/map page
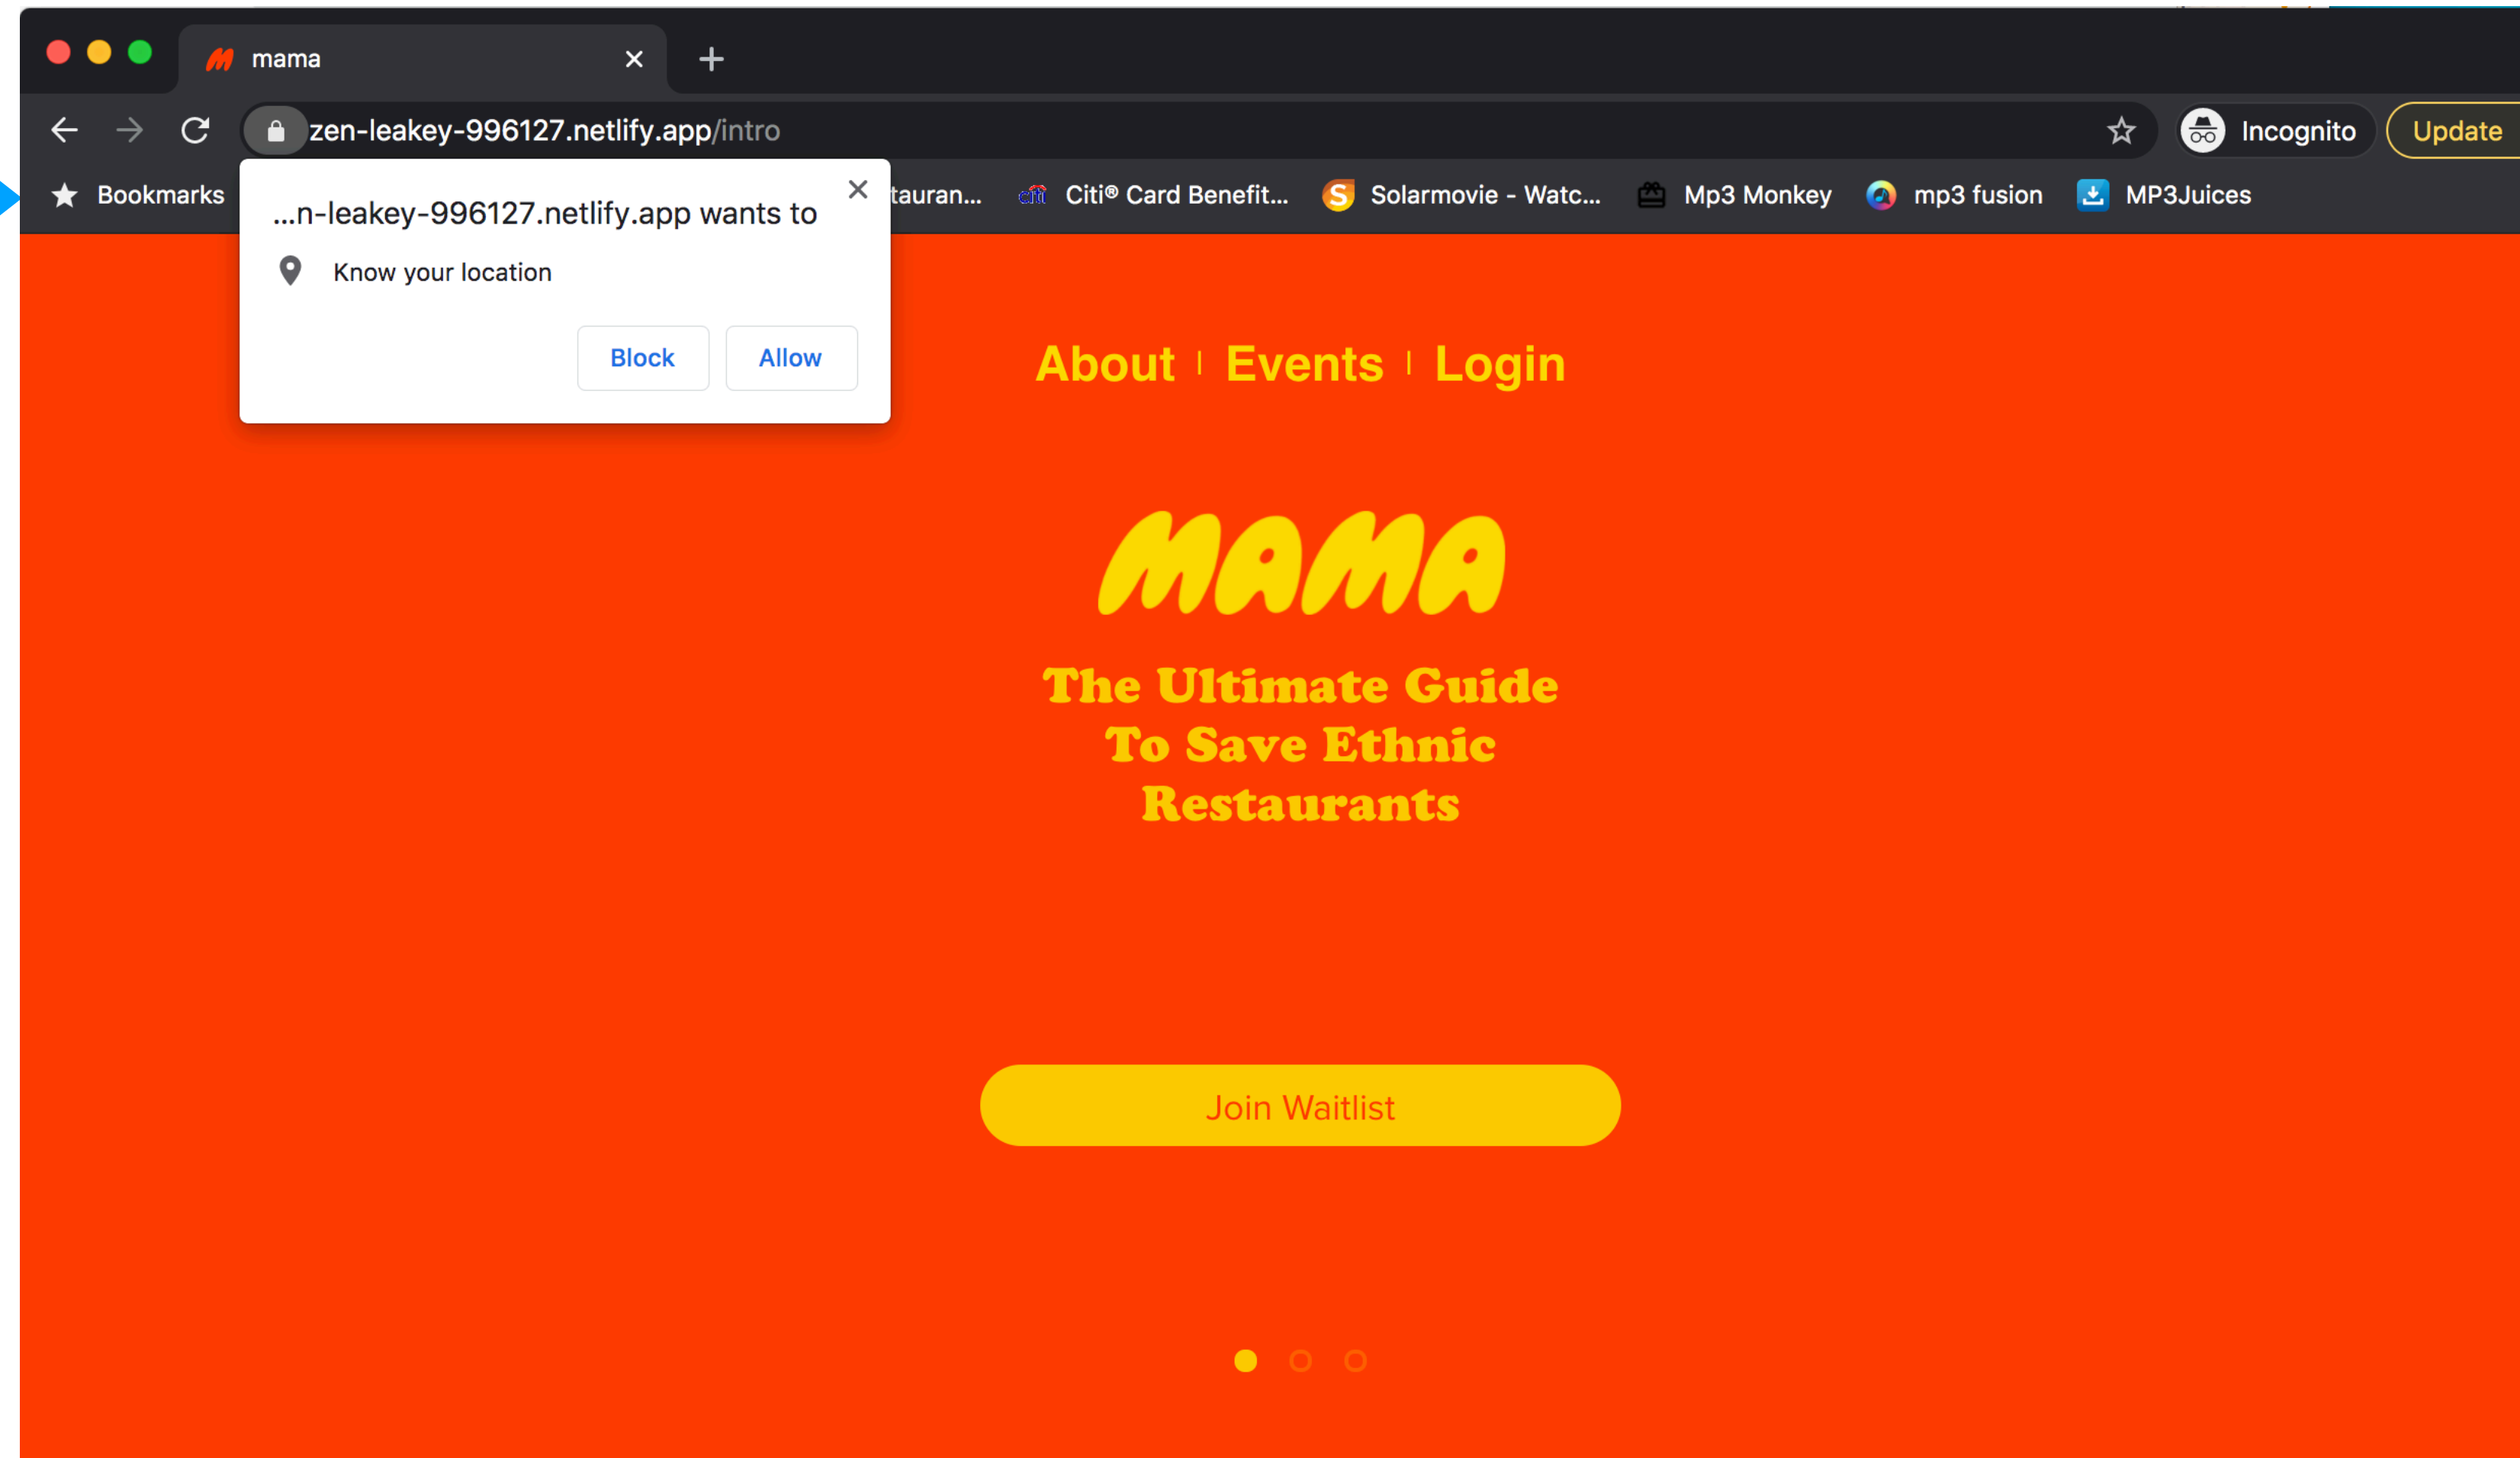

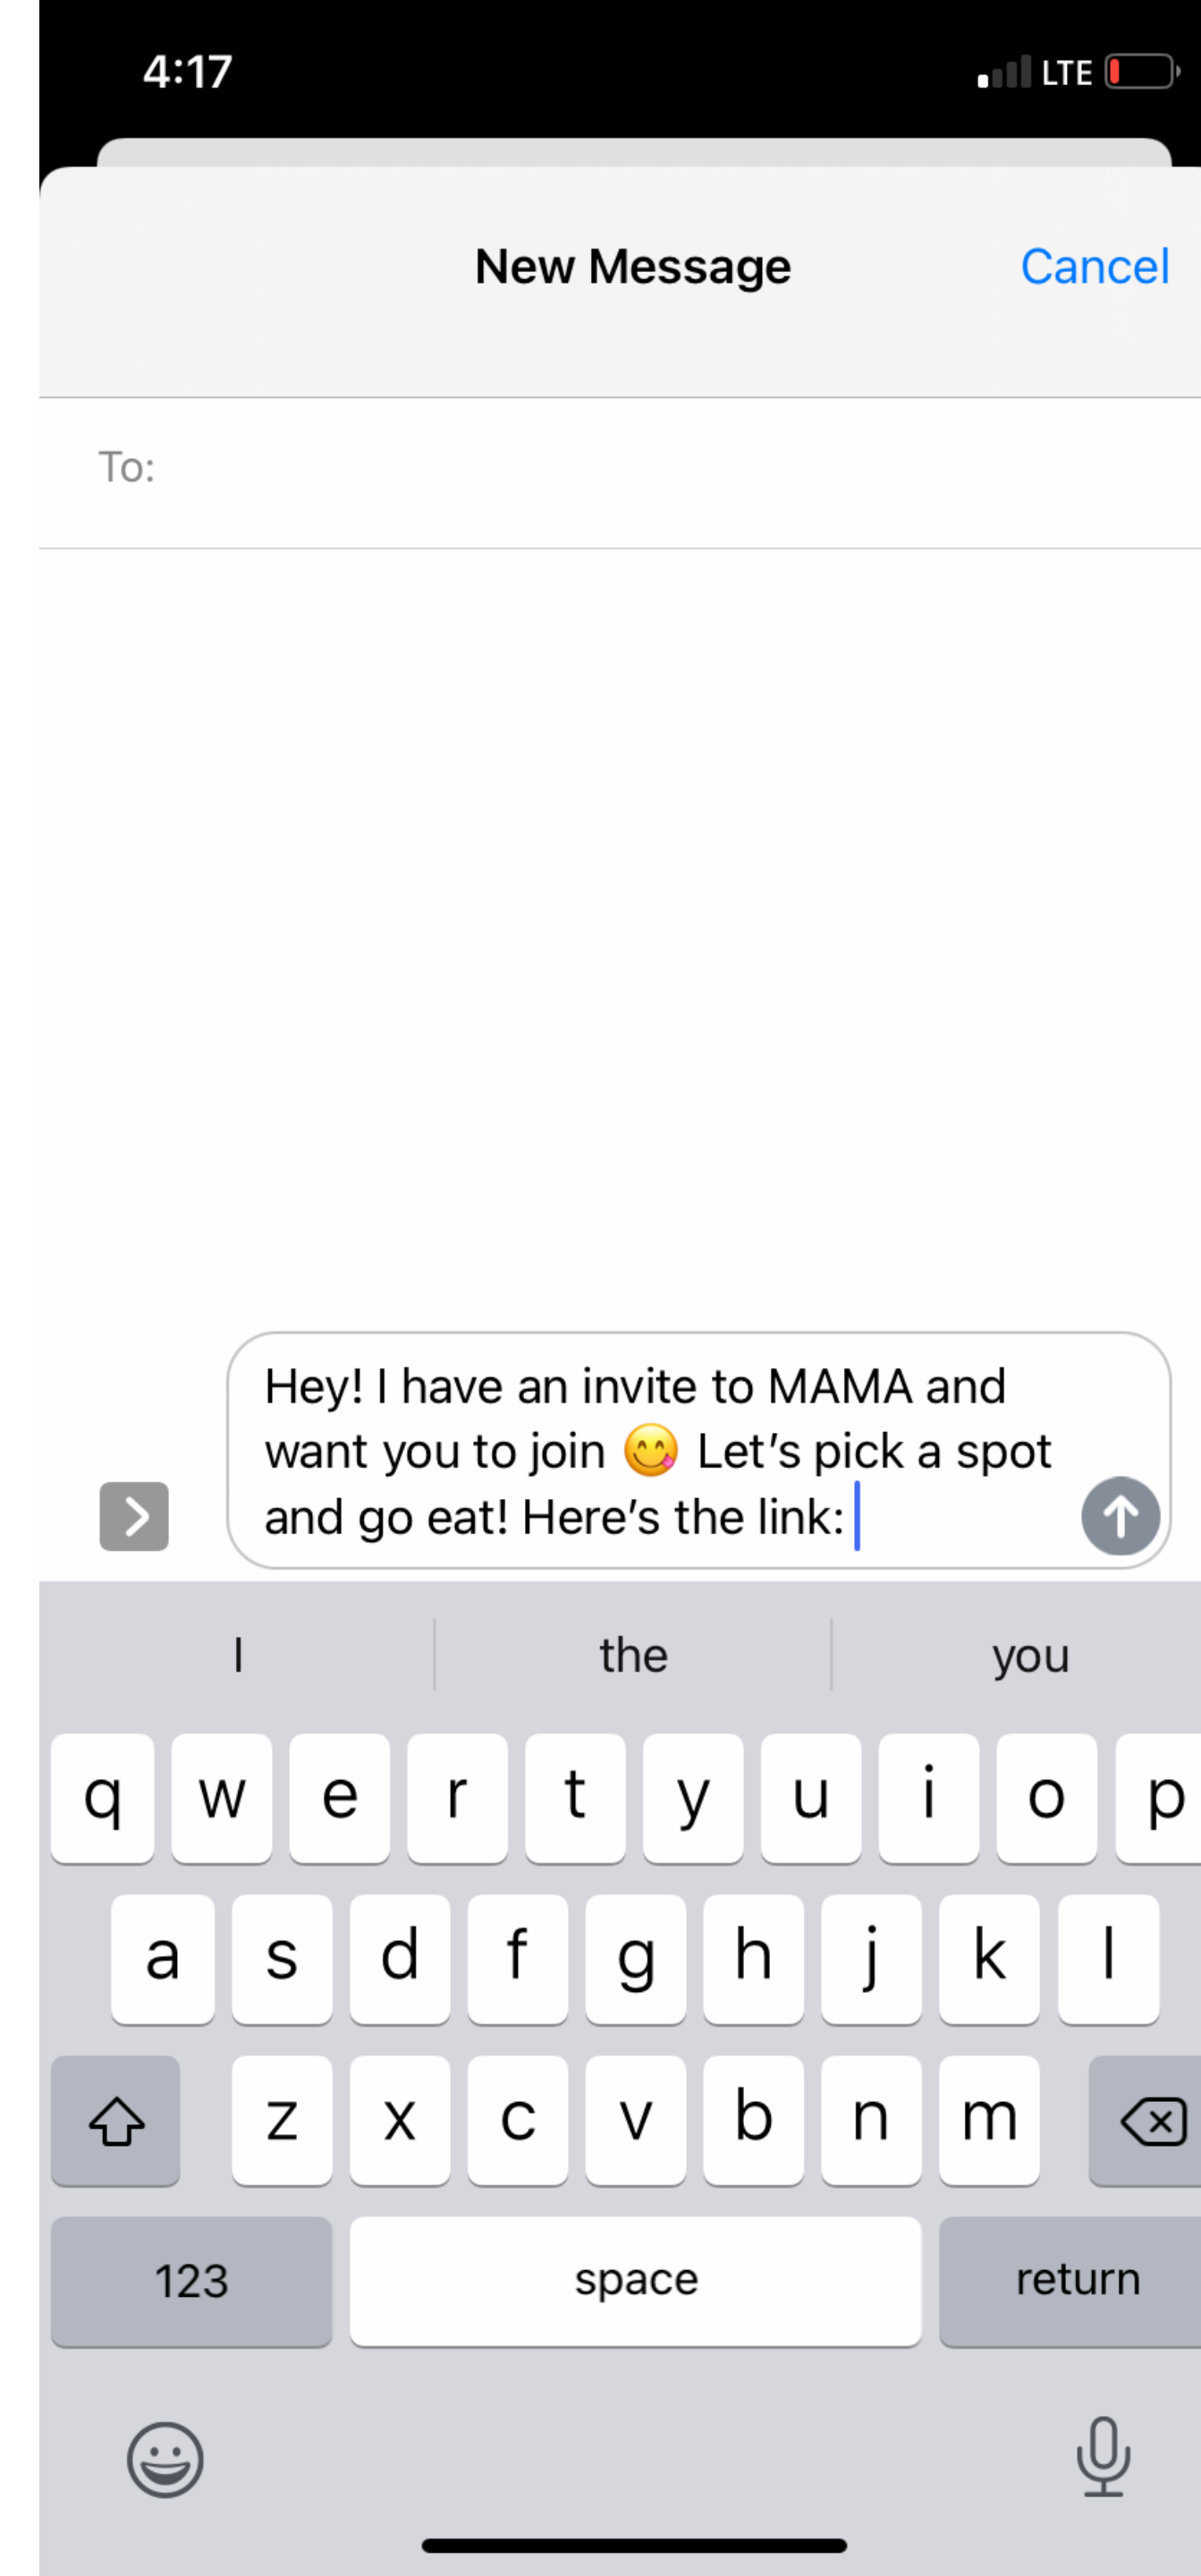

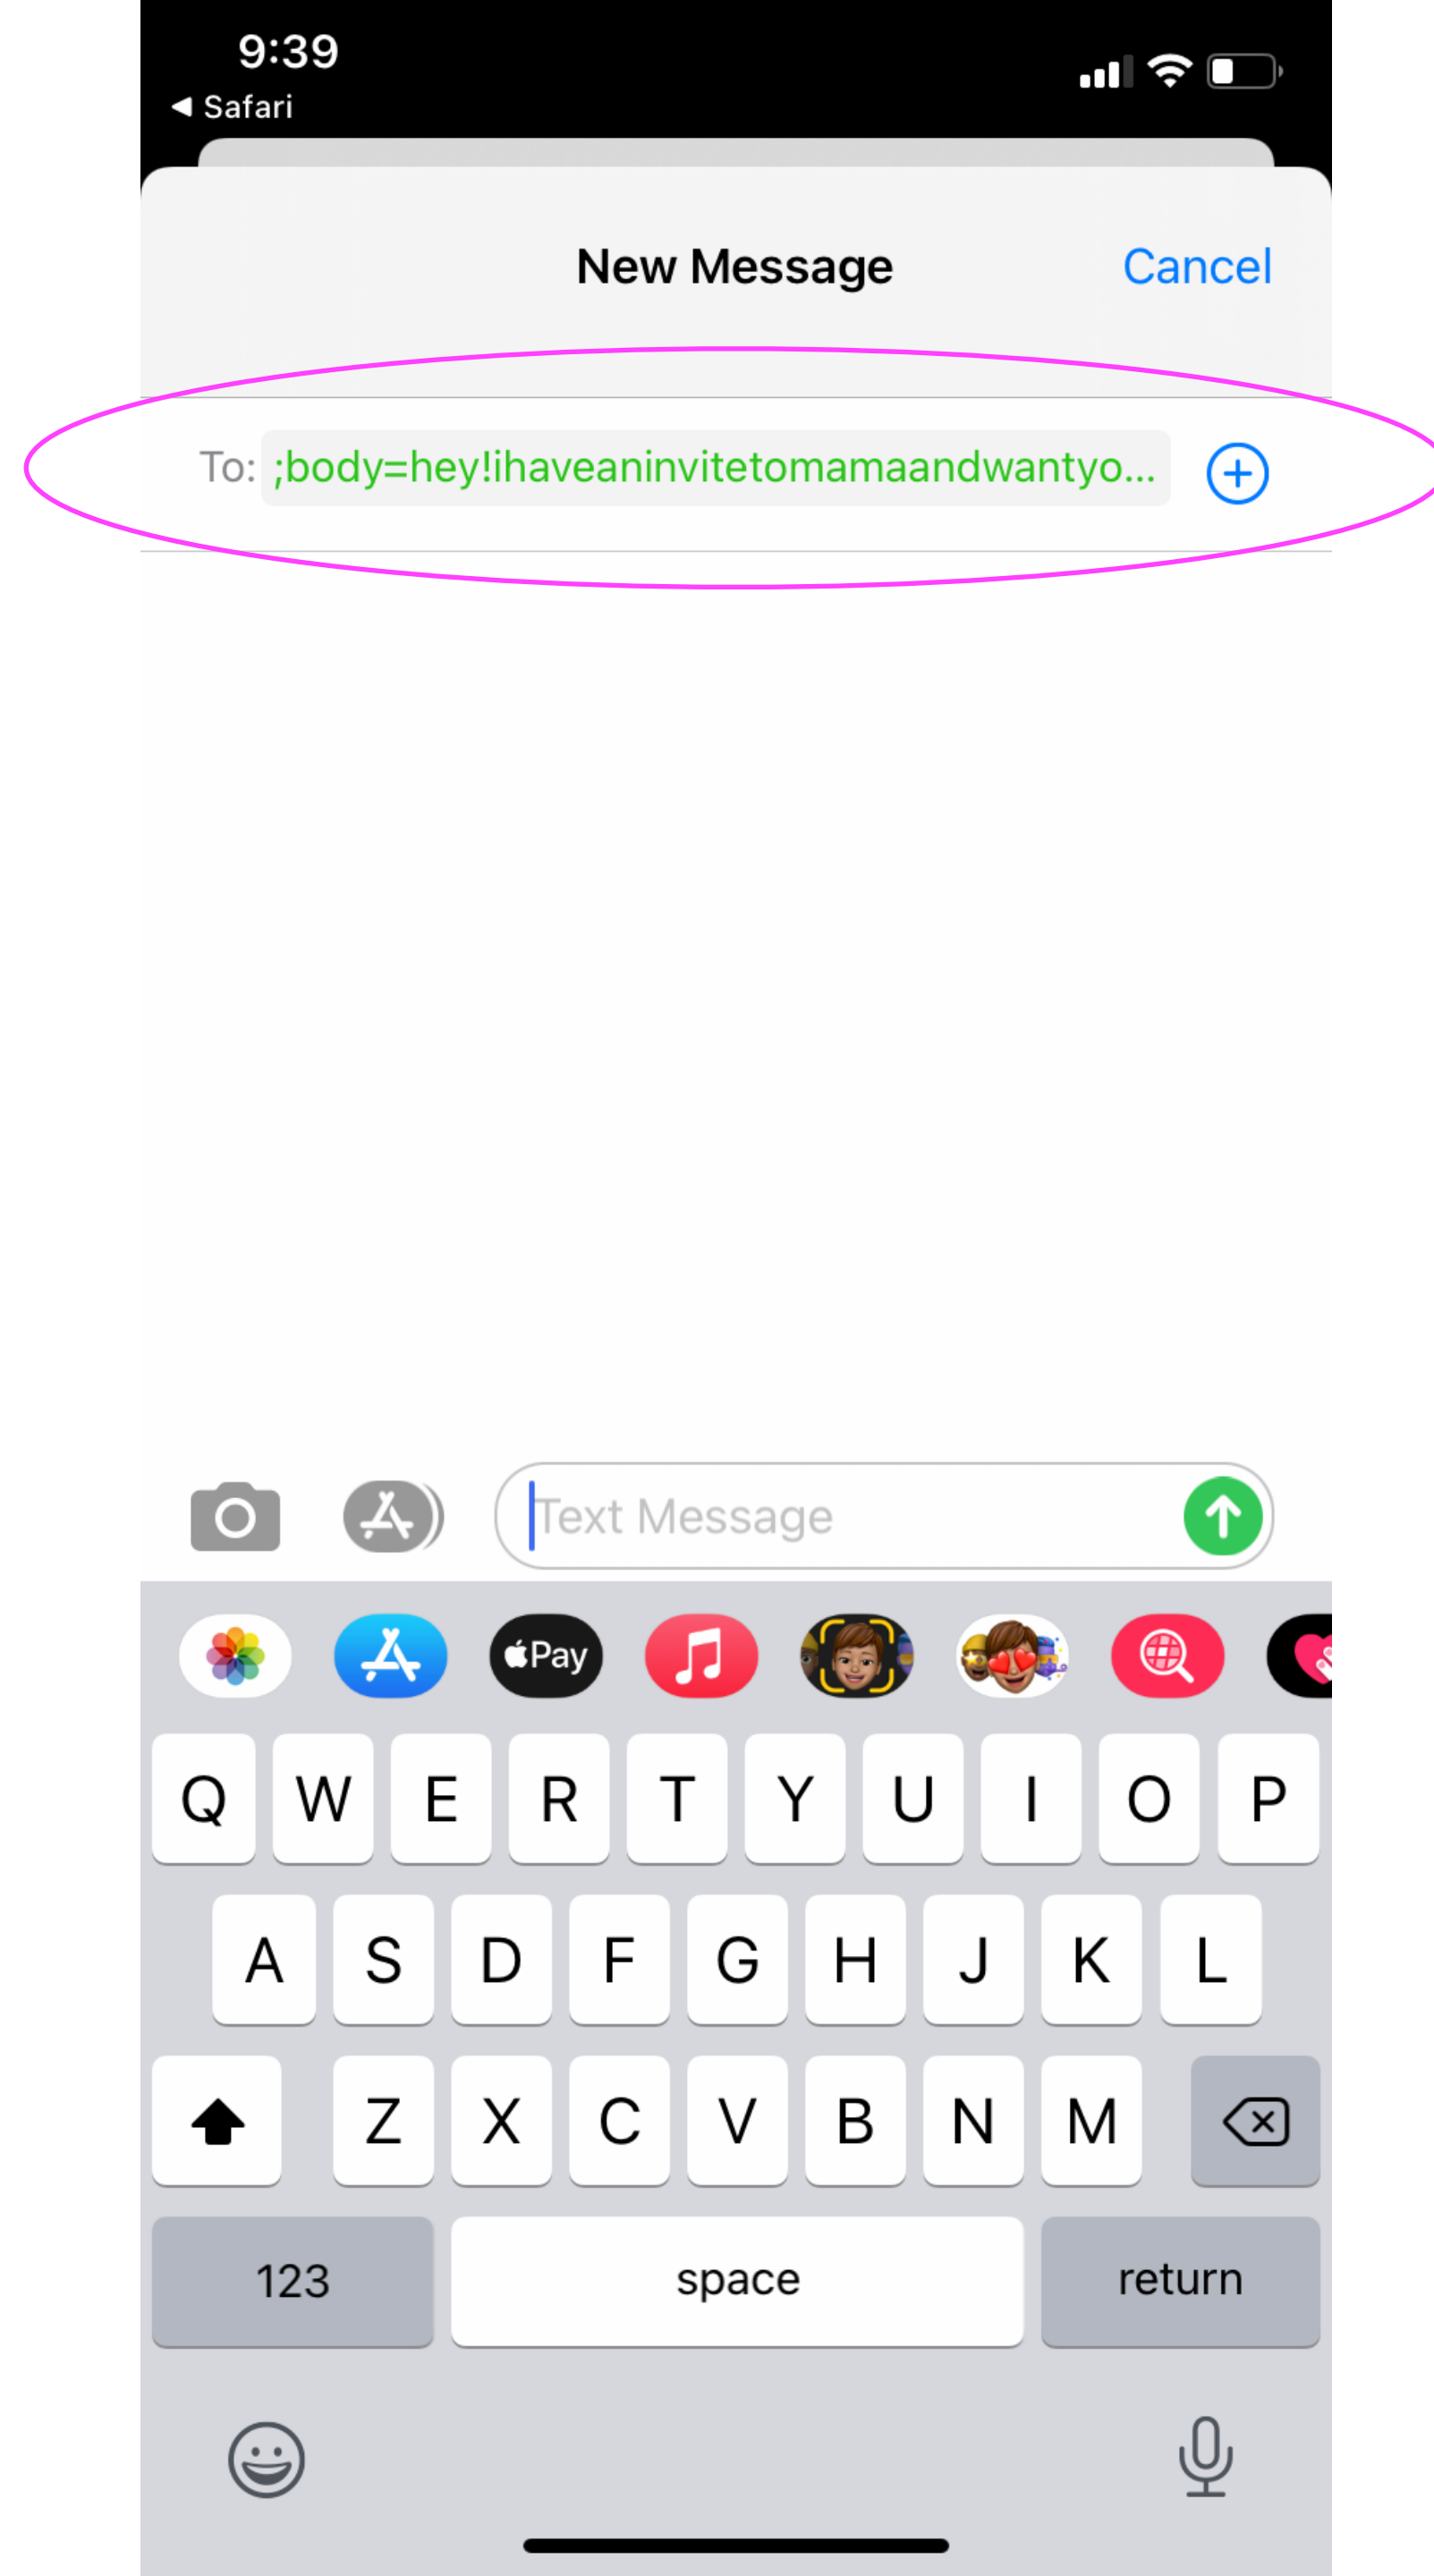

MILESTONE 1

BEFORE
make sure there is space between the envelope icon and the edge of the yellow box

AFTER
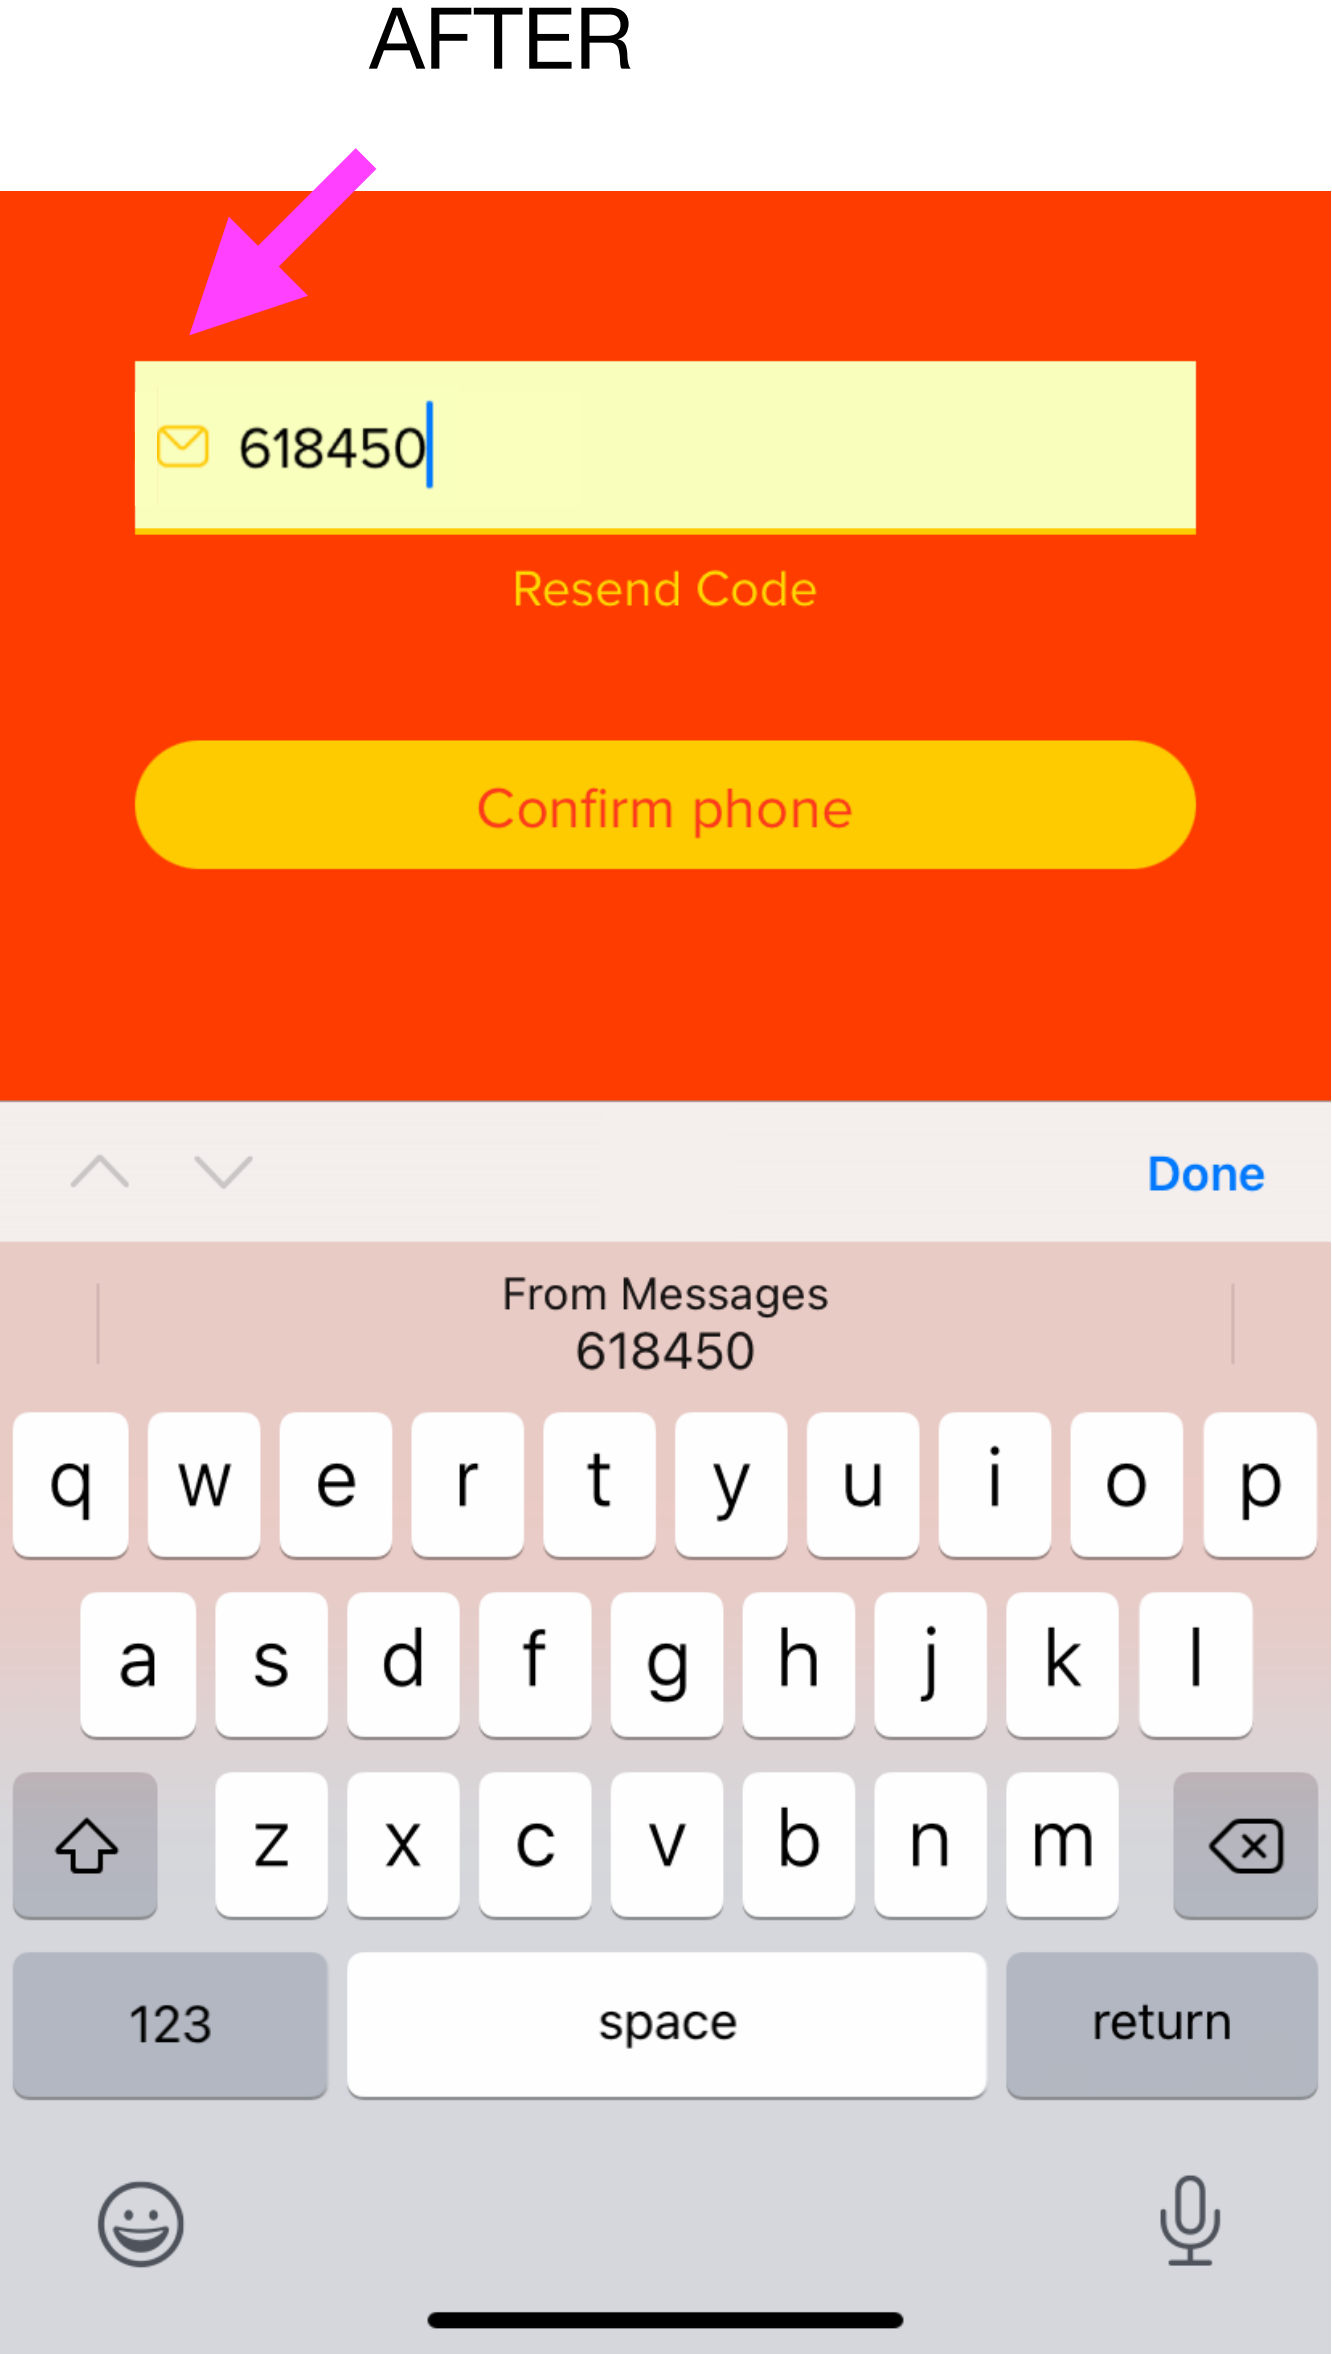

INVITE FRIENDS MOBILE
1. Match layout of reference
2. Unbold type
3. Make type small
4. Update copy to: "You get 3 invites."

Hey! I have an invite to MAMA and want you to join 😊 Let's pick a spot and go eat! Here's the link:

123   space   return

INVITE FRIENDS DESKTOP
1. Match layout of reference
2. Unbold type
3. Make type small
4. Update copy to: "You get 3 invites."
5. Button copy: "invite" should be lowercase
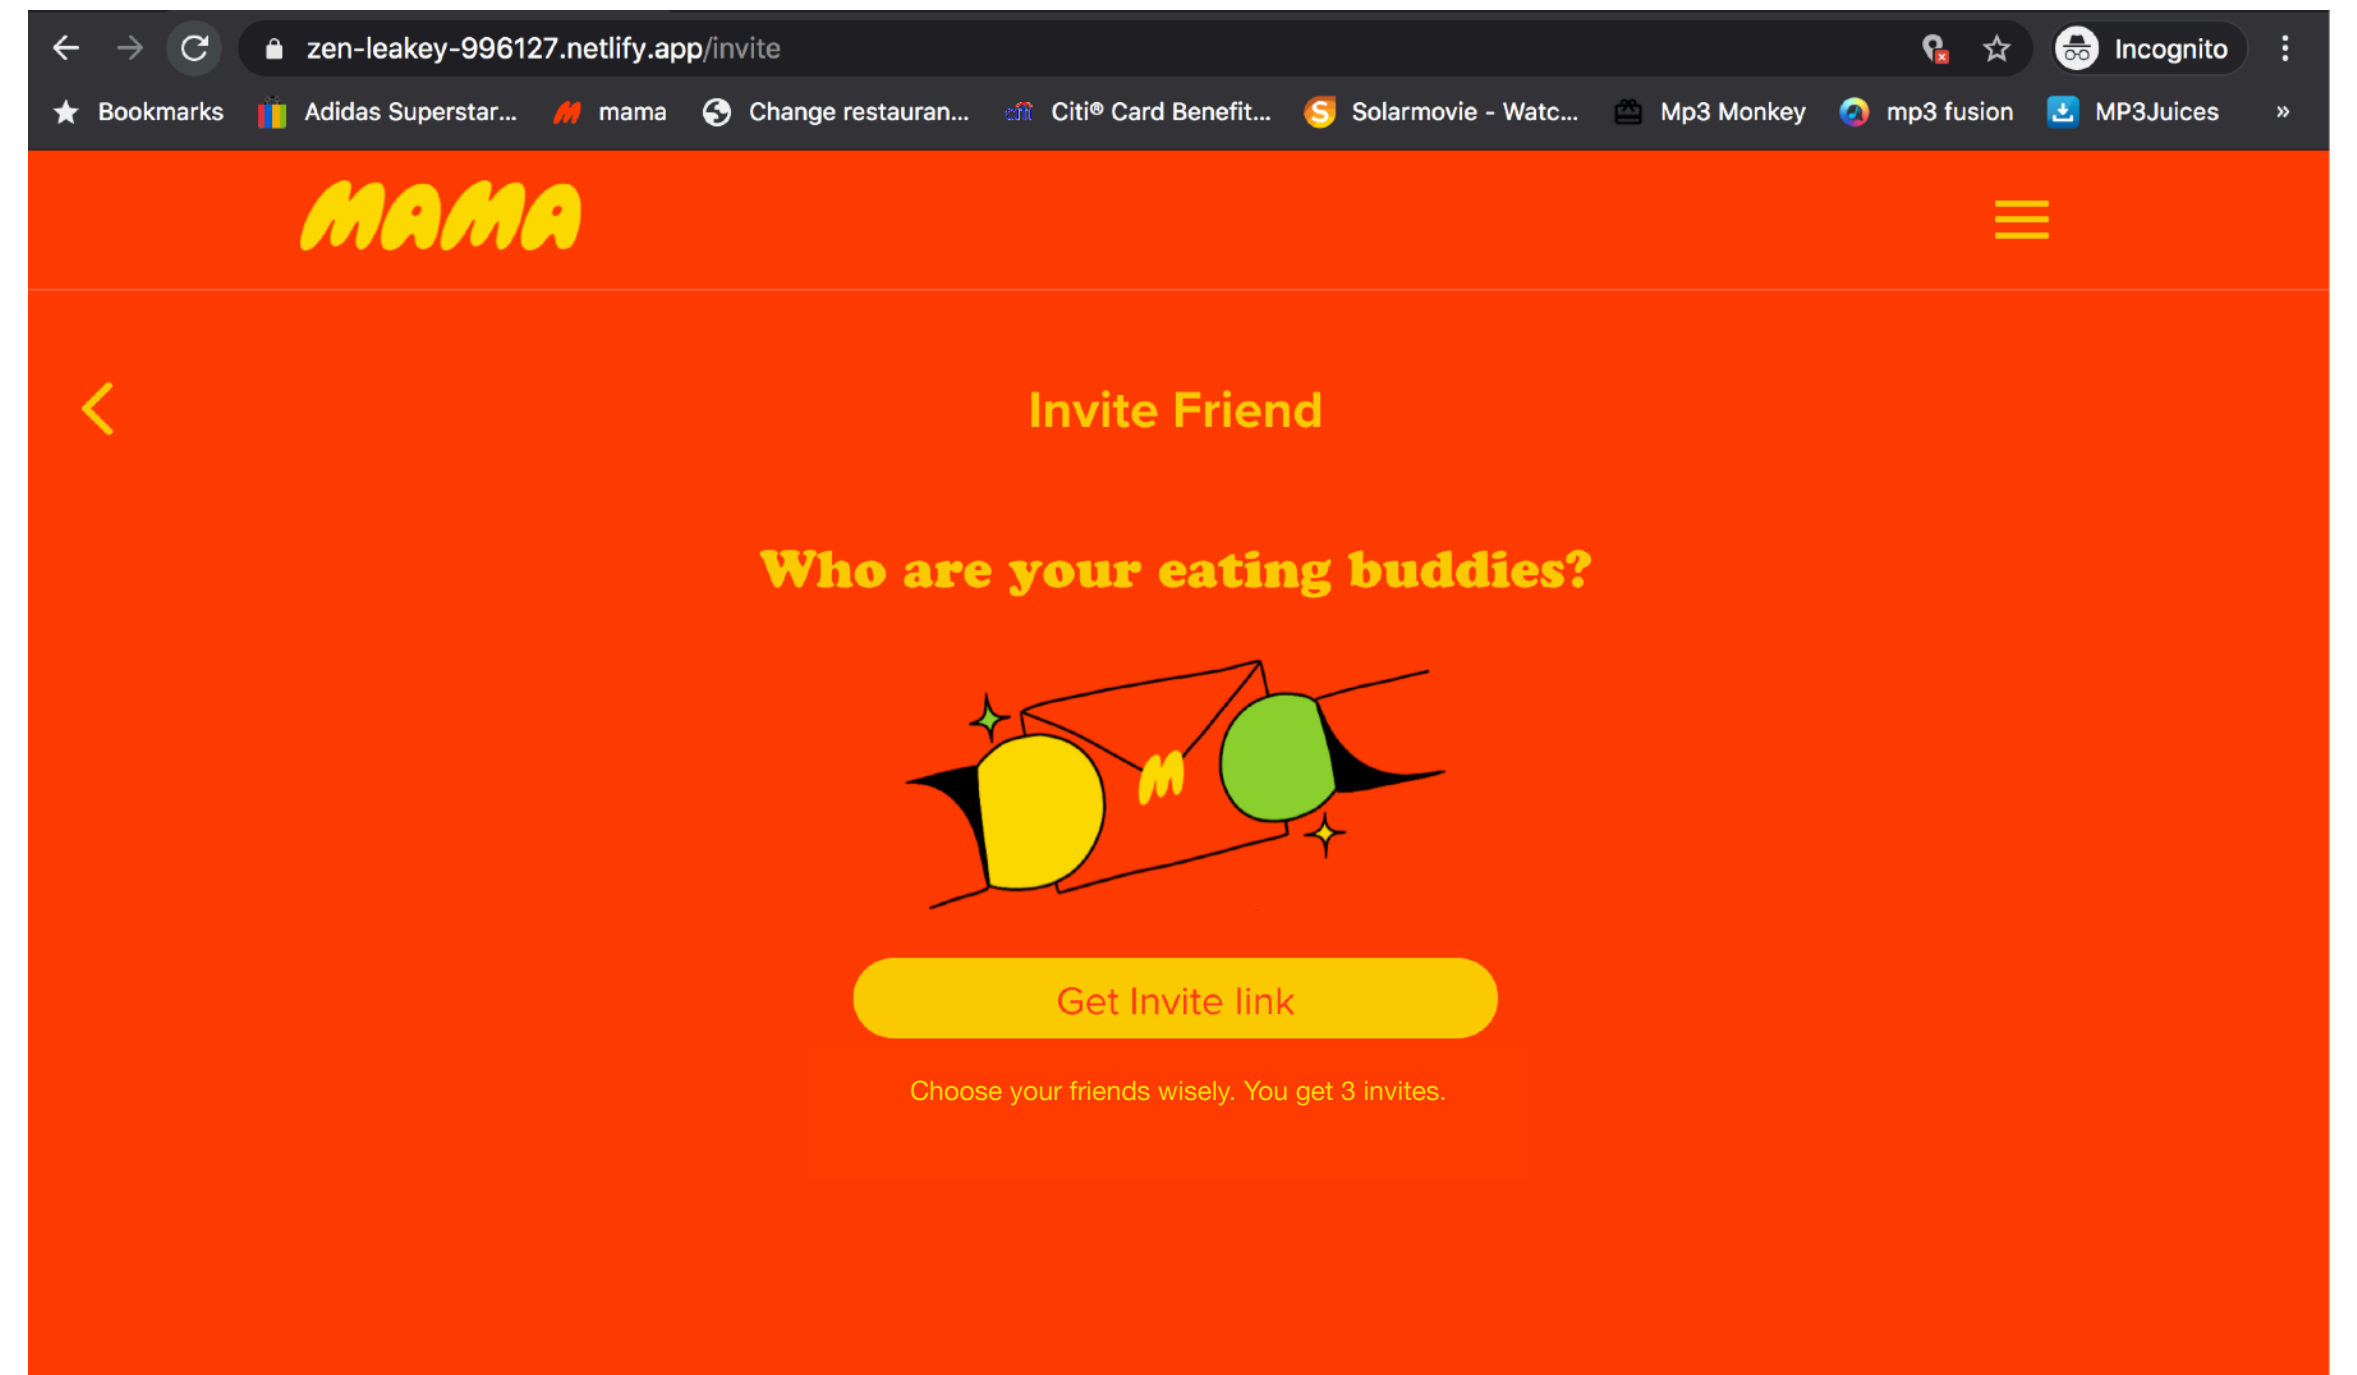

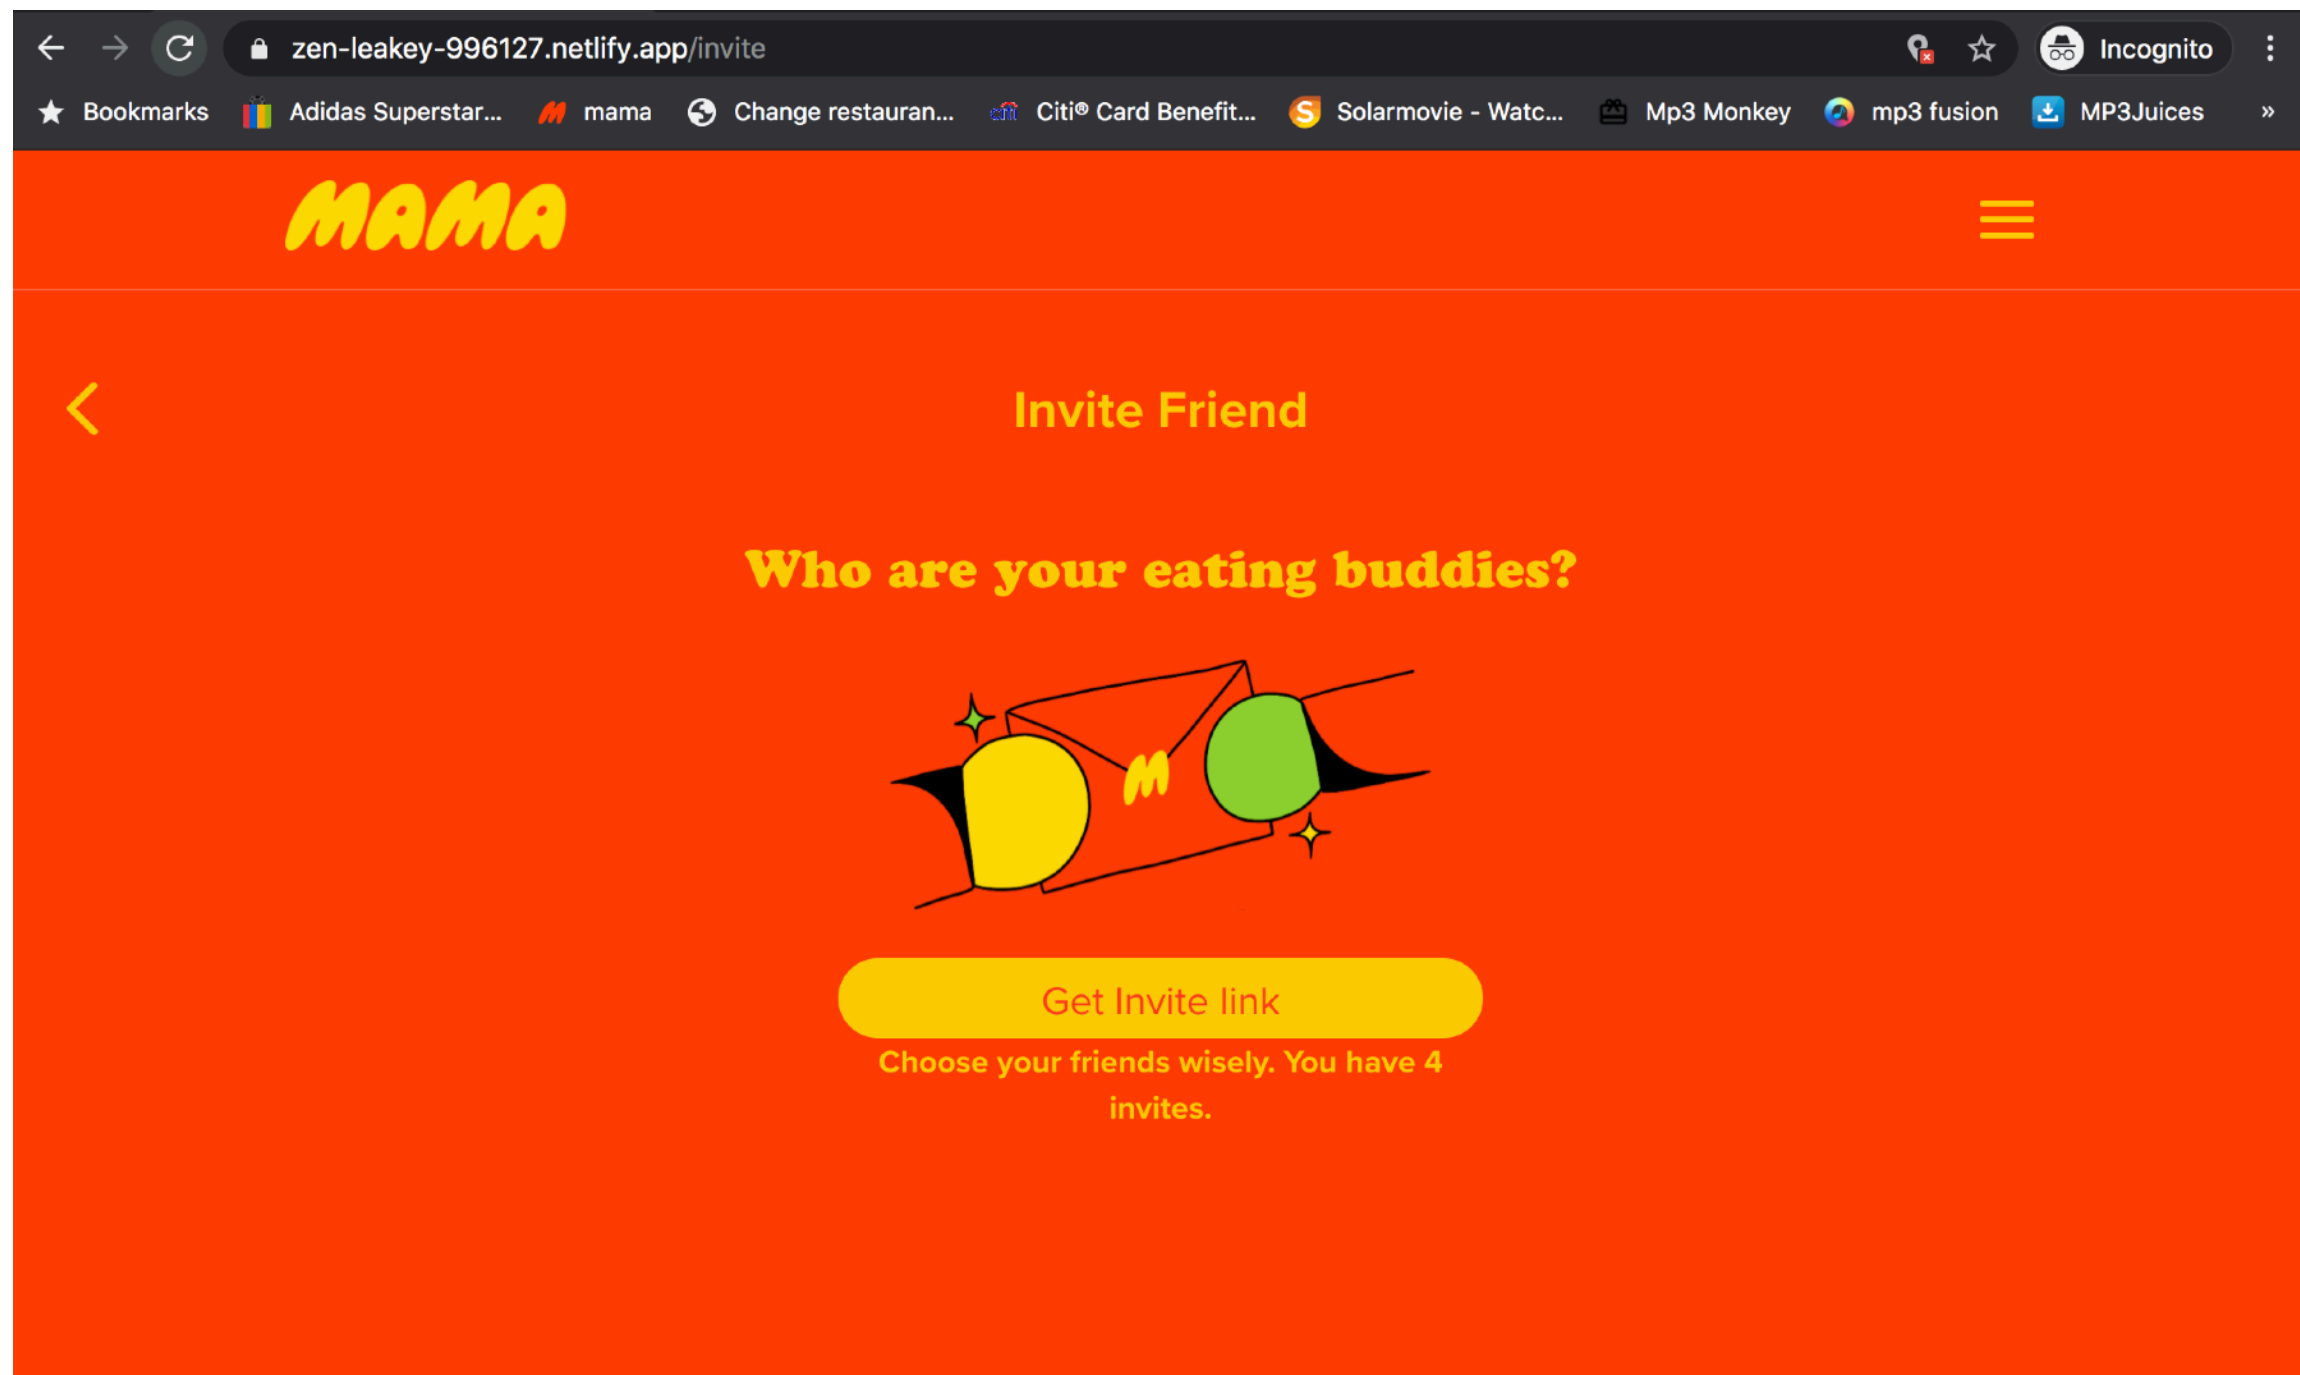

1. Link function: a link can be copied and sent as many times until 3 friends sign up.
    1. Once 3 friends sign up. Update sub copy from: "Choose your friends wisely. You get 3 invites." to "You have no more invites left."

2. Make sure the "Copy to clipboard" is working when you hover over the entire "Get invite link" button

3. Update "Copied to clipboard" with pop up reference in XD (**Jared to send design)**
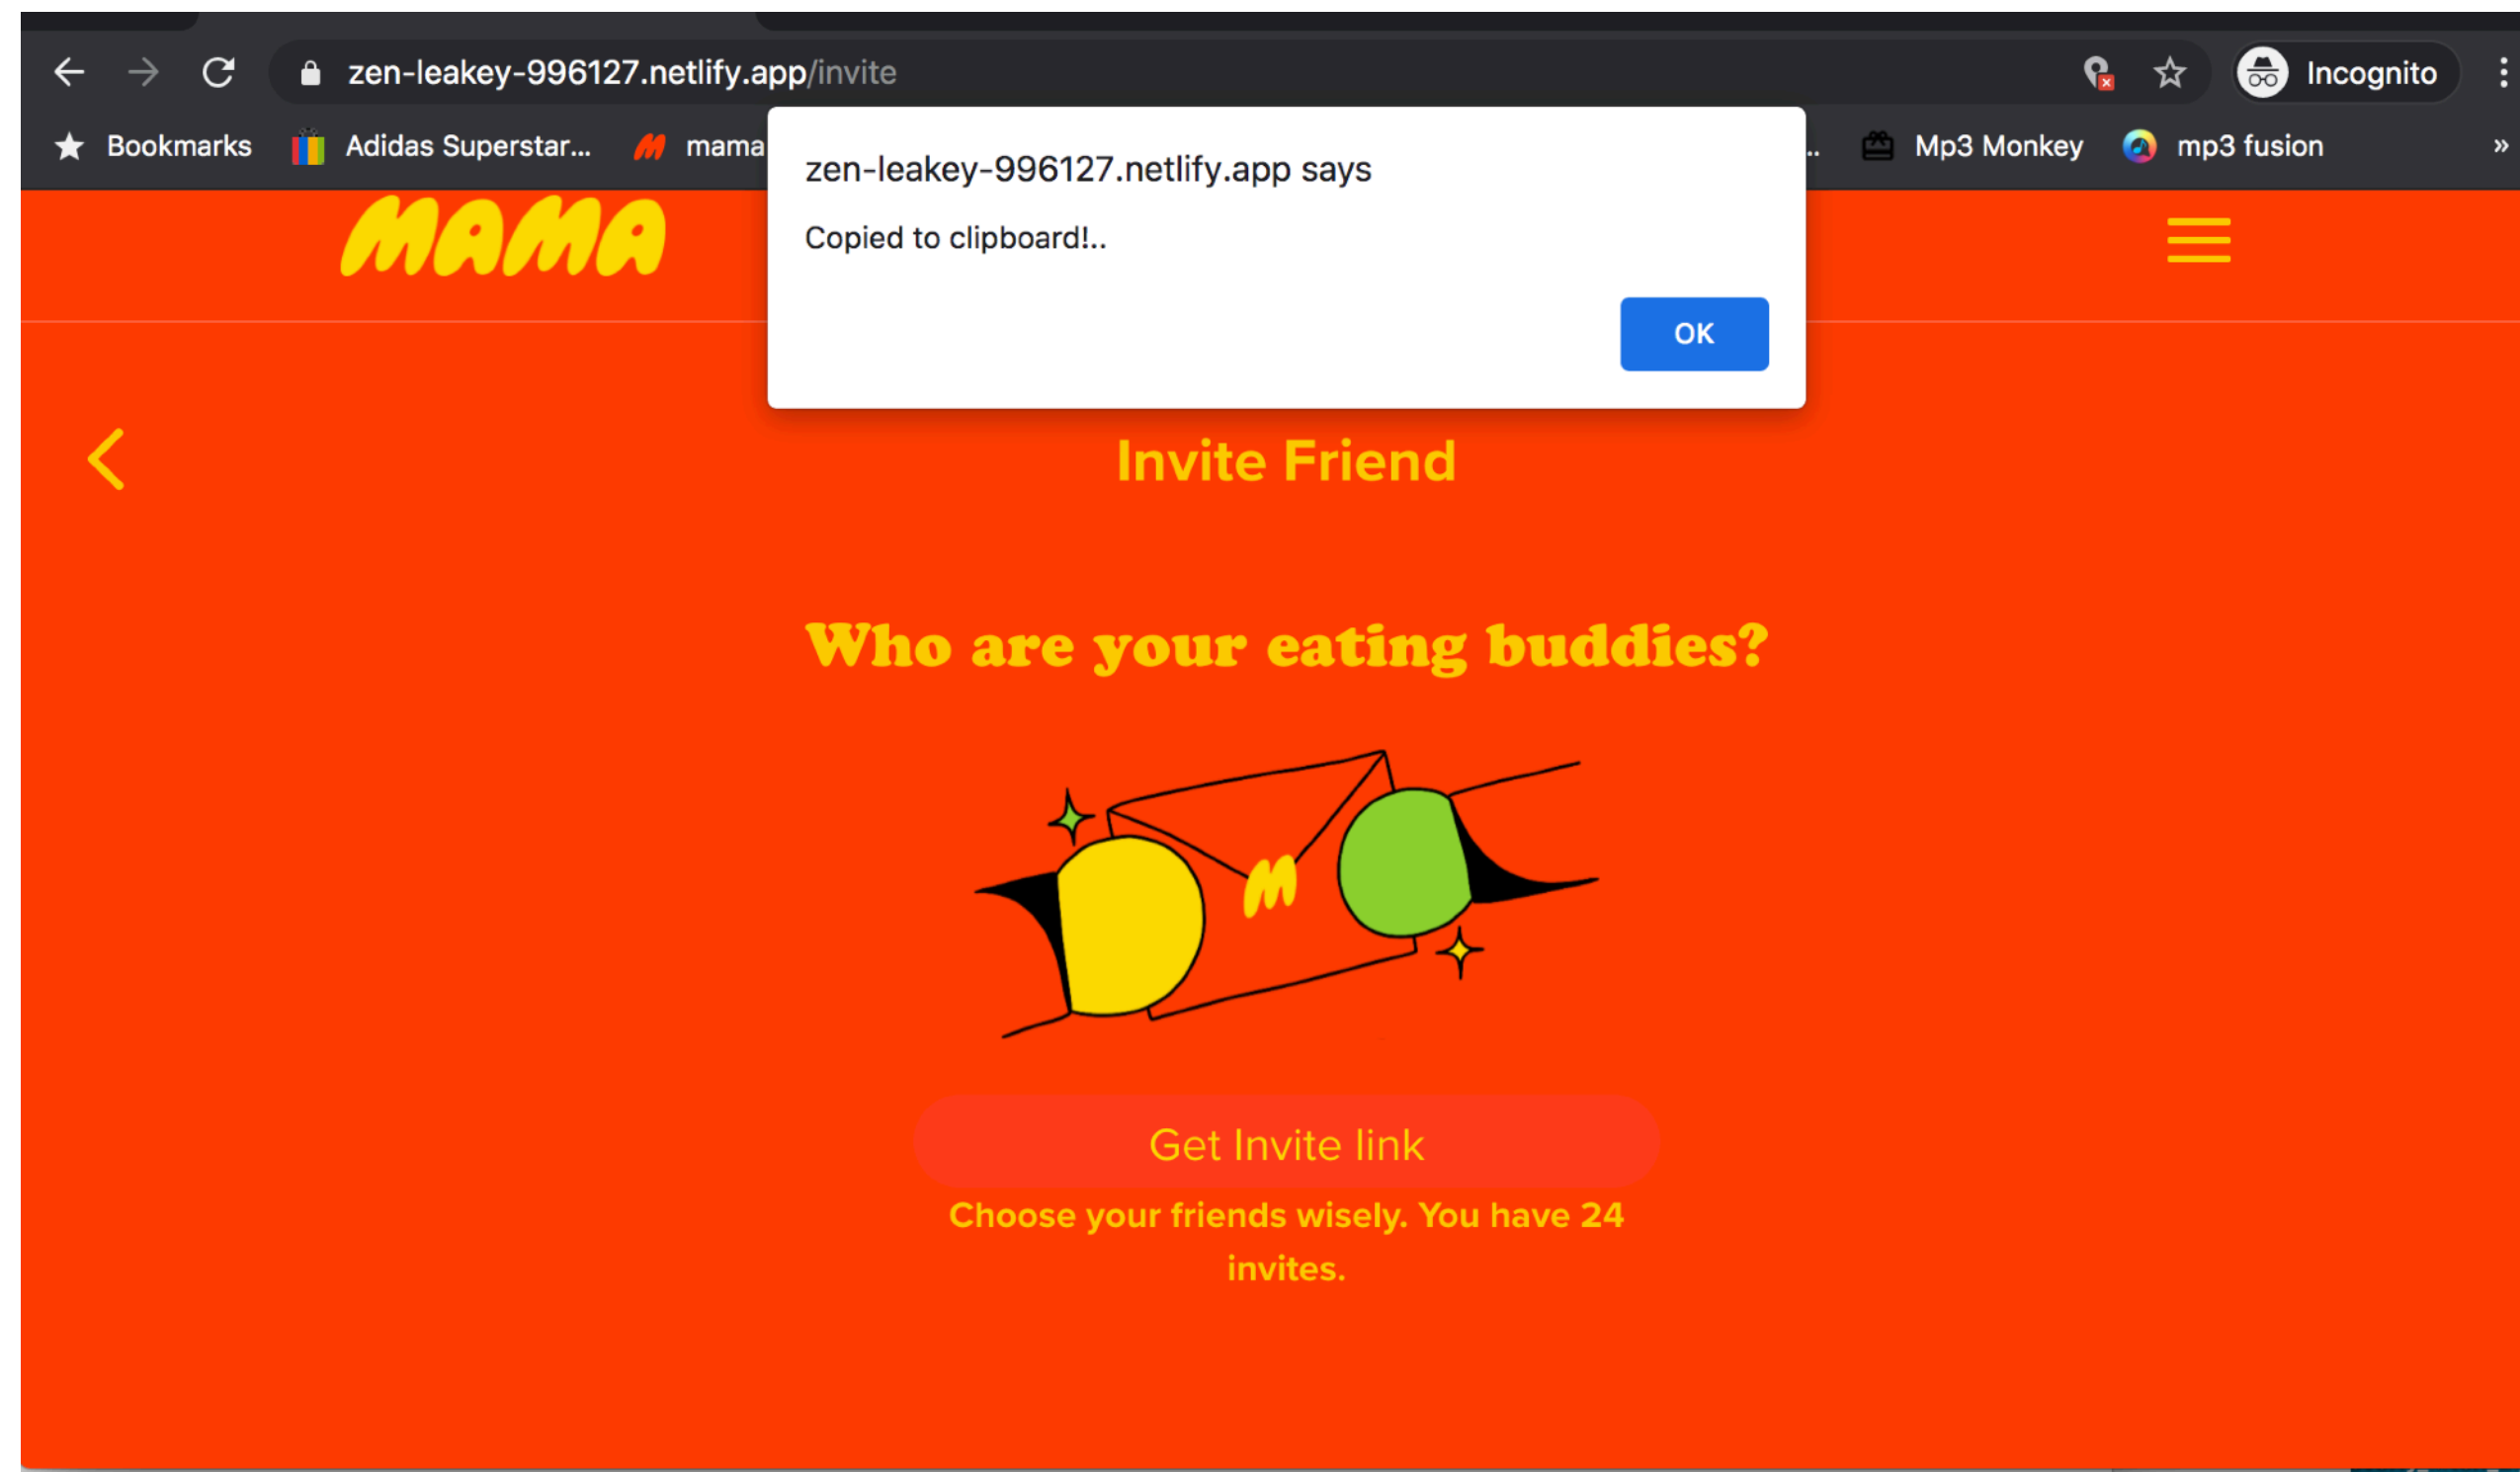

BACKEND

- RESTAURANTS - move "status" right of "name"
